Annexation Proceedings To Continue

Four large firms joined the Cow Palace in opposition to the proposed Bayshore City annexation in a hearing Monday night in Daly City, but failed to halt the proceedings.

In a packed hearing at city hall, the hearing was recessed for ten days until May 2, as required by law. The landowners who protested represented less than the 51 per cent of assessed valuation needed to defeat the annexation.

Cow Palace board of directors had thrown a cog in the machinery by protesting the annexation. Also registering protests were Crown Cork & Seal Co., Inc., 2650 Bayshore boulevard; J. P. Enterprises and Schlage Lock Co., 2201 Bayshore boulevard; Equitable Life Assurance Society, and LaVerne and Fred Calonico, 292 McDonald.

Together they comprised an assessed valuation of $539,000, which is less than one half the required valuation needed to halt the annexation proceedings.

Henry Shindell of 650 Carpet street, owner of several land parcels in Bayshore City, and Mary and Orin Marin had registered but withdrew their protests.

Cow Palace Protest

Clayton Roche, a representative of the attorney general's office, representing the Cow Palace, said "we believe this (annexation) was hastily and ill conceived. The large property owners were not advised in this matter."

He said the annexation should be terminated — and in doing so draw lines around and behind the Cow Palace so this building is not included.

Roche said the land should be annexed under both the uninhabited and inhabited land acts, since about half of the proposed land to be annexed is uninhabited.

By annexing in one action, he stated, the Cow Palace is losing its right to block the annexation.

Mayor Joseph Verducci questioned Roche, asking if he knew of other cities having agricultural districts within their boundaries. Roche answered that he did not know.

City Manager Edward Frank volunteered that the cities of Merced, Turlock and Petaluma each had agricultural districts such as the Cow Palace within their boundaries.

"Why is the Cow Palace so upset about coming into Daly City?" Councilman Robert St. Clair asked of Roche.

Cow Palace director John Brucato answered:

"Because rumors have been circulating that Daly City will eventually place a tax on admission tickets."

The Cow Palace, said Brucato, is now set up to serve San Mateo and San Francisco counties.

It is a "very happy" setup, he said.

"Besides this, the Cow Palace receives the services of the sheriff's office, the San Francisco police department, and the California Highway Patrol."

"What does Daly City expect to get from the Cow Palace?" he asked.

Continuing, Brucato stated: "We know what we have now. We don't know what the future will bring."

Brucato said that he knew the present city council could not bind future city councils. He said he thought that the Cow Palace would be a liability to Daly City rather than an asset. The Chubby Checker show, he said, had 50 policemen from San Francisco on hand.

The Big Leak At Westmoor

There's a steam pipe at Westmoor High School that's losing 5,800 gallons of water a day. And nobody knows where it's going.

The Jefferson Union High School board learned Monday night that the main steam line that encircles Westmoor High School is losing 5,800 gallons of water daily. The district attorney's office and the board agreed that the inspection report, advising immediate repair of the steam line should be complied with as soon as possible.

Because the 5,800 gallons has been disappearing without a trace, sections of the school will be closed while the ruptures are traced and fixed.

In other action before the board last night, the Crocker Land Company offered a legal description for 40 acres that will, if approved, form the site for the fifth high school of the district.

The appraisals of the site, Superintendent Morgan stated, will have to be in Sacramento by July 1 in order for the purchase to be allowed in this fiscal year.

The Jefferson site was discussed last night, with special attention given to the new baseball diamond. Athletic director Mike Orlich stated that unless the present wooden structure at the rear of the old building was razed, and the old tennis courts were removed as soon as possible, the Jeff baseball diamond would not be playable by next spring. To be ready, the turf will have to be started this fall.

To expedite the planting of the grass, Superintendent Morgan stated that he will seek to separately contract these jobs. Other work planned for the Jeff site will be the installation of six tennis courts and six outdoor basketball courts.

It was also disclosed that the Jefferson district now has a sufficient number of "unhoused" students to warrant an immediate request for the second increment for Ocean High School. This request will be filed by May 1, and if accepted, will allow construction for an ultimate of 2,000 students at Oceana.

High School Coach Tied To 4 Holdups

Kent Herkenrath, 25-year-old Westmoor track coach allegedly turned fast-stepping gunman, was accused Friday of four more holdups besides the one he was arrested for on April 9.

Herkenrath, who described himself as a compulsive gambler who was "only ten per cent bad," was arrested for a San Jose holdup.

San Mateo's Detective Sgt. John Borcherding said Herkenrath has been tentatively identified in connection with a $200 holdup of Macy's in Hillsdale on Nov. 11, 1962, and an $800 holdup at the Emporium at Hillsdale on February 9.

San Francisco's Lieut. Mortimer McInerny said the Westmoor coach had also been tied to the $800 City of Paris robbery at Stonestown on October 27 and the $2,205 robbery of the Emporium in Stonestown on January 12.

Police Search For Youth

A massive search was underway last wek in the Crocker Hills for a 13-year-old Daly City boy who mysteriously vanished two months ago. The search was in vain.

Dark-haired Wayne Silber was last seen by his mother February 8 as he left his 72 Terese street home to play with some friends. Daly City police said they have checked out several reports that the boy was seen, but none could be substantiated.

No clues have pointed to foul play.

Mrs. Silber had said before her son ran away he was unusually tense since he had teamed up with some fellows she didn't want him to associate with.

The boy, according to the parents, had no reason to run away. He was a fine student at the Colma Upper School.

Daly City's New First National Bank to Open

The First National Bank of Daly City will open for business May 3 at temporary offices at 150 San Pedro road.

A permanent building will be under construction within the next 30 days at Vista Grande and Mission street.

Ninety per cent of the stock in this bank is owned by local stockholders. The business, according to President John F. Varni, will be the "only independent bank in San Mateo County."

Some 400 shares outstanding are held by local residents.

The new bank, which signifies a $350,000 investment, will include such features as drive-up deposits and feature parking for 25 cars.

The bank will have 6,000 square feet of floor space, including a mezzanine for employees.

Bank directors include Harry C. Curusis, Ricco Lagomarsino, Elton A. McGraw, Gerald Mincher, Lawrence Vanucci and John F. Varni.

No Protests on Hospital Annexation

No written protests were received Monday night on the Mary's Help Hospital annexation of 44 acres to Daly City.

Ground-breaking for construction of the 250-bed facility is scheduled for May 11. Gov. Edmund G. Brown is slated to take part in the ceremonies.

SHOWBOAT GOODS — Bob Chase, Bob Martini and Bob Barbieri proudly display just a few samples of the merchandise that will be available in the "Tara's Halls," during Our boat Time in May 2, 3, 4 and 5. Bob Hunter, general chairman, announced that there will be 20 booths for the enjoyment of all during the four fun-filled days and nights of this outstanding annual event. The festival will be held in the parish hall at 1 Elmwood drive in Westlake. All proceeds from the event will benefit the parish building fund.

New Appeal On Brisbane Annexation

Attorney Tom Bocci for the Bayshore Citizens Committee said Tuesday that in the coming week an appeal will be filed which is legally known as a quo warranto proceedings to dispute Brisbane's annexation claims on Bayshore industrial lands.

Proceedings were had before Judge DeMatteis of San Mateo County to resolve findings of fact in which to establish an appeal.

"A very recent decision has been handed down by the district court of appeal which further supports our position on a reversal. The case arose out of Los Gatos, and an identical factual circumstances were involved.

"The appellate court held in that case that "where all the voters' land can be used in connection with a home located thereon as an integrated whole, all of it is inhabited by the voter."

The case further holds that a voter in the district is not required to actually dwell in the territory being annexed in order to be counted as a registered voter.

"I have complete confidence that the appeal will prove successful," Bocci concluded.

Incumbents Swept In; Bond, Aid, Prop. A Proposals Are Dumped

The voters swept the incumbents back to office in the school elections last week and at the same time:

Defeated bond and state aid proposals in the Coastside and Laguna Salada elementary districts and a tax increase in the South San Francisco Unified district.

Rejected a proposed charter amendment by a narrow margin of 19,230 to 18,303, to make the County Superintendent of Schools appointive by the County Board of Education, rather than elective as it is now.

Re-elected for fourth terms on the Jefferson High School board were incumbents Lyal Ingersoll with 3,896 votes and James Cooper 4,149 votes of a total of 5,089 votes cast. Their terms of office begin July 1. Next school elections will be held in 1965.

The turnout was 12.5 per cent in the Jefferson Elementary District as 2,662 of a total registered electorate of 21,087 turned out at the polls.

Joe Lewkowitz was reelected to the Jefferson Elementary District board with 1,961 and O. Wayne Douglas was re-elected with 2085 votes. Mayre Albert polled 750 votes. Total votes cast were 2,662 out of a total of 21,087 registered voters.

Pacifica voters re-elected Robert T. Hale with 980 votes and elected Rodney A. Clark with 795 votes, among five candidates vieing for two seats on the Laguna Salada school board.

Patricia Miller drew 516 votes, Rene Cardinal 668 and Dale Emde 451.

In the Bayshore City elections, incumbents David Barry and Ferdinand King were re-elected by votes of 155 and 172 respectively.

Laguna Salada district voters beat a $600,000 bond proposal by a margin of 56 votes and a $6,000,000 state loan by seven votes. The vote on the bonds was 1130 yes, 649 no. The count on the loan was 1121 yes, 571 no.

Voters in South San Francisco smashed a proposal to increase the permissive tax rate from $2.95 to $3.65. There were 2184 yes votes and 2730 no votes.

County Race

Five challengers for the county board of education were defeated in the county-wide election.

The five pro-Rafferty candidates filed for election on the last day before the deadline. In the Trustee Area No. 3, incumbent Mrs. Virginia J. King polled 23,655 votes, while her opponent, Walter P. Capaccioli got 13,496. The area includes South San Francisco Unified school district.

In Area No. 4, (San Mateo city), Nora S. Evans, the incumbent, beat Mrs. Lois Notaro by a count of 24,465 to 11,717.

Thomas Needham, board member from Area No. 5 (Burlingame, Hillsborough, Millbrae and San Bruno) received 22,824 votes to 13,908 for David H. Keyston.

In Area No. 6 (Belmont, Redwood City and San Carlos), the incumbent, Mrs. Florence M. Cadigan, polled 24,323 and her opponent Mrs. Edythe M. Bielenberg 11,695.

Dr. Frank Arnold came closest to winning in the Rafferty slate. He ran in Area No. 7 (Woodside, Las Lomitas, Menlo Park, Portola Valley and East Palo Alto) against board member Perry West. West won 20,108 to 16,603.

Frostbitten Flier Mum On Adventures

Ralph Flores, former Daly City resident and now a San Bruno mechanic who was lost 49 days in the Yukon, could not tell of his experiences, but did admit last week that he would continue to fly on the Yukon "Dew Line."

Flores, whose epic survival in the wilderness with his 21-year-old passenger, Helen Klaben of Brooklyn, N. Y., was hailed as a miracle, spoke briefly last week before the Daly City Lions Club.

The flier, whose face showed the deep cuts from his harrowing crash in 42 degree below zero weather, explained that he had sold his story to the Saturday Evening Post and could not unseal his lips until the story is in print.

Flores, of Mexican-American ancestry, was united with his family in San Bruno.

Wearing a dark blue suit, and short in stature, he said "I just want you to know, in behalf of my family and myself, I thank you."

He was wearing a heavy fur slipper on his left foot, and walked on crutches. He explained that one of his toes is still frost-bitten.

Flores said he plans to work with Miss Blaben on an article.

"I plan to go back to the Dew Line," he said. "Maybe I'll buy another plane."

Panel Talk To Celebrate Library Week

National Library Week will be observed by an evening book review sponsored by Friends of the Daly City Library. It will be held in the Coral Room of the Westlake Library, 275 Southgate Avenue, on Wednesday, April 24, 8 p.m.

A panel, moderated by Wayne Douglas, attorney and member of the Jefferson Elementary School Board, will discuss the topic "America—Here and Now, as Painted by Our Press."

Members of the panel will be Homer C. Chandler, Millbrae city administrator; Mrs. Dan Dawson, principal Fernando Rivera School, and Robert Muller, instructional materials consultant for Jefferson Elementary School District.

A special display of materials pertinent to the subject will be on view in the Coral Room.

Refreshments will be served following the program.

City Needs Police, Firemen

The City of Daly City is currently recruiting for policemen and firemen. The recruiting program is in its final days, and those who are interested in applying for either position must do so by April 25.

City Manager Ed Frank said these positions provide outstanding career opportunities for qualified persons. He said that in Daly City police and firemen have an opportunity to gain experience in all types of work in their respective departments and that a considerable emphasis is placed on professional training and education.

The salary, as of July 1,

No Fines, Special Library Week Extra

National Library Week is being observed all over the nation April 21-27. It has been proclaimed by President Kennedy and featured in magazines and newspapers.

The theme this year is "The Fifth Freedon—enjoy it."

In Daly City, this event will be observed as it has been in the past through activities of the library staff, civic clubs, and Friends of the Library.

Special features of Library Week will include a moratorium on fines, and Friends of the Library symposium. Daly City schools are marking the observations with special projects.

Daly City has observed National Library Week since its inception. The city which has two public libraries, also has librarries in both high schools. During the past school term, Jefferson Elementary School District has instituted libraries in almost all of the Jefferson elementary schools. These are under the direction of Robert Muller.

In the Daly City public libraries, the number of books has increased by 20,000 during the past five years. The circulation of books has increased by four per capita. Last year the increase in book circulation was 248,000 books — an increase of more than 50,000 from the previous year.

Samuel Chandler is the city librarian. Children's librarian is Rose Marie Kraus. Branch librarian is Jo Belle Jackson. There are 12 library assistants.

The Westlake library was dedicated in February, 1961. Part of the John Daly library on Mission street was built in 1920 and added onto in 1930. Cost of the Westlake library was $185,431.

Present book capacity of both libraries is 37,000. The total book capacity of the combined libraries is 55,000.

In the Westlake library, the meeting room has been used during the past two years to feature nine art exhibits, including the million-dollar Parke-Davis exhibit on the history of pharmacy.

The Daly City Toastmasters Club meets in the meeting room at 7 a. m. each Thursday. Other organizations meeting at the Westlake library include the Great Books Club and Friends of the Library.

LOCAL POW WOW — Grover Sanderson (Chief Eagle Wing), left, and David Risling, Sr. (Chief SuWorhrom), discuss legislation to reserve Indian Heritage.

Men Attempt to Save Indian Culture

By JACK WOOD

Two Indian chiefs were quietly celebrating last week just outside the Daly City limits at 3155 San Jose avenue.

David Risling, Sr. (Chief SuWorhrom), and Grover Sanderson, known as Chief Eagle Wing had recently met with Senator Edwin J. Regan, member of the California legislature, and started the ball rolling for preparation of a bill to protect the Indians' heritage.

Risling, Sr., is the guiding light for the needed bill. The purpose of the bill, as spelled out by the chief, is to insure the exercise of heriditary and ancestral religious rites and traditional customs and to encourage, "protect and preserve the REMAINING California INDIAN CULTURE . . . and to insure those persons the right to continue practicing their remaining traditional customs within the immediate areas in which their ancestors

SOUTH SAN FRANCISCO SYMBOL—"It's all yours" exclaims Mrs. William Cottenham as she hands over the chairman's broom as the symbol of leadership in the city's second annual Clean-Up, Paint-Up, Fix-Up Week to Nick Manuel. Manuel will head the campaign, which starts Monday, May 20.

South San Francisco Clean-Up Week Slated

Mayor Patrick Ahern has proclaimed May 20 to June 2 as Clean-Up, Paint-Up Fix-Up Week in South San Francisco and has urged every resident to participate in the program to make the community a cleaner and more beautiful one in which to live.

Nick Manuel, 144 Dundee drive, has been named chairman of the community-wide campaign. Serving with the chairman will be Roy Barrier, 150 Dundee drive; Ray Stull, 404 Valencia drive; Mrs. Bert Nicholls, 429 Constitution way; Mrs. James Howard, 944 Hemleck avenue, and Mrs. Ed Dady, 748 Almond avenue.

"Everyone in South San Francisco should be proud of last year's campaign when we received a third place award in the National Cleanest Town Contest" the mayor states. "In asking the cooperation of every citizen this year, I want to remind you that now is the time to take stock our our community.

If everyone, and by that I mean every home owner, business man, industrialist, school child, and everyone in city government alike put forth an all-out effort, we can do an even better job this year," Ahern asserted. "I also ask all civic organizations service clubs, improvement and garden clubs to put forth their maximum effort during this campaign.

"Let's show the whole state and country that South San Francisco is a safe, beautiful and healthy place in which to live and do business. I remind every resident to ask themselves: 'what have I done today to make my city cleaner, more beautiful, and a better place in which to live'," Ahern concluded.

1963, for either position will range from $546 to $632.

Fringe benefits include paid health insurance, sick leave, two to four weeks vacation, depending on length of service, a uniform allowance, and retirement benefits.

Persons interested in the position must be high school graduate between the ages of 21 and 31, minimum height for police five feet nine inches, and for firemen five feet eight inches.

Application and information may be obtained from the personnel department in the city hall, or by telephoning PLaza 5-0850.

Annexation

(Continued from Page 1)

Mayor Verducci said that in the annexation, Daly City had no intention of leaving the Cow Palace like an "island" around San Francisco and Bayshore City.

He also said "we think there is a state law against tampering with admissions."

At the mayor's request, finance director Joseph Arch read an agricultural code statue to this effect.

Attorney Tom Bocci., representative of the Citizens Committee of Bayshore City, said the number of persons who signed petitions in Bayshore City indicated the will of the people to annex.

Up until the last ten days, he said, there was no group blocking the annexation.

The Cow Palace board's action against annexation, Bocci stated, "represent the whims of a few men who do not reside in Bayshore City."

They don't represent the interests of the people, he said, adding that in that area to be annexed,, there are more than 4,000 persons.

Bocci said that "it appears odd" that a representative of the state attorney's office office should take a position on a political question."

His decisions, said Bocci, are colored to the point of view of the Cow Palace board of directors.

Bocci said the land around the Cow Palace can legally be called "inhabited."

Also, he said, "I venture an opinion that under no circumsances would the attorney general's office take the position that three separate annexation proceedings were needed" for the Bayshore City annexation.

Chamber Speaks

Bernard Lycett, president of the Daly City-Colma Chamber of Commerce stated that he represents sensible business men who wish to improve the general population and area.

He asked the industrialists who oppose the annexation to reconsider.

"Let us become one big family," he urged.

Mrs. Kenneth Pack, petition circulator and resident of Bayshore City, said she has spoken to many residents of Bayshore who are happy to annext to Daly City.
annex to Daly City.
residents tolerate large crowds at the Cow Palace and traffic congestion near the S&W Foods.

"We tolerate all this and can't understand why they are going against the wishes of the area," she said.

Fire Chief

Bayshore City fire chief Harry Ritzmann said the residents of Bayshore City, at the time Brisbane was proposing to annex more than 50 per cent of the industrial area of Bayshore City were faced with the possibility of losing their fire protection, and at the same time suffering an increase in their fire insurance rates because of a reclassification by the Board of Fire Underwriters.

They banded together, he said, and petitioned the city of Daly City to annex.

Ritzmann echoed the statement of Mrs. Pack:

"I cannot," he stated, "understand why the management of local industry is opposing the annexation to Daly City when it is the wish of the majority of the residents of this area to annex.

"This is borne out by the fact that when the annexation petitions were circulated, 80 per cent of the registered voters signed in favor of Daly City."

Pressure Against Bayshore Annexation Claimed by Chamber

Charges that the board of directors of the Cow Palace is actively opposing the annexation of Bayshore to Daly City was leveled by Frank Martorana last Thursday.

Speaking to the Daly City Chamber of Commerce at the Cypress Hills Country Club, Martorana, said that "the Cow Palace officials are contacting property owners and putting pressure on businessmen to develop a 51 per cent protest to the annexation."

City Manager Ed Frank pointed out that "misinformation is being given out. As far as the city and the chamber is concerned, we have given nothing but the facts."

"The Chamber of Commerce needs help. We have to fight hearsay with facts," Martorana continued.

The board of directors of the Cow Palace went on record as opposing annexation of its facilities to Daly City last month, stating that "the status quo is best and that they having nothing to gain." They were supported in this view by the board of supervisors of San Francisco.

Following the meeting, Frank told reporters "the Cow Palace board has never given any real reason for opposing the proposed annexation. We have met with them seeking out areas of possible conflict, but to date we have had no satisfactory answer."

The state-owned building is operated by the No. 1-A District Agricultural Assocation, an agency of the state of California represnting San Mateo and San Francisco counties.

The Cow Palace is now associated with no one city, with the sales tax revenue going to the state and to San Mateo County. Thousands of these tax dollars would accrue to Daly City, if the Cow Palace is annexed.

Harbor Policeman Honored for Valor

Edward Fitzgerald, San Francisco Port Authority harbor policeman of 628 Manila Way, Colma, will be among twenty-two state employees who have received Medals of Valor since 1957 to be honored at a banquet to be held in the Fairmont Hotel, San Francisco, May 11.

In October, 1957, he captured singlehandedly a bank bandit in downtown San Francisco.

Councilman Objects

Robert St. Clair said he would "publically like to express dismay over the methods employed by the S & W Company in protesting the Bayshore annexation to the City of Daly City.

"I have personally called on a number of these companies in the area, and they have told me that a representative of S & W visited them and tried to persuade them with incomplete and inaccurate information to write protests against the annexation.

"I believe this practice to be morally and ethically wrong, and, furthermore, this is a grave injustice to the people living in Bayshore City who are striving to better their community by an act of annexation."

practiced these same customs."

The region concerned in the bill: "From the mouth of the Klamath River up to Ishipishi Falls (to Katamin Rancheria) in the Klamath River area, and from the junction of the Klamath and Trinity Rivers up to the Trinity River as far as the junction of the Trinity River and South Ford River and surrounding areas contingent thereto."

Assemblyman Frank Belotti has expressed willingness to co-author the bill with Senator Edwin J. Regan; State Senator Albert S. Rodda, Sacramento County, has expressed his sympathy and support; Governor Brown has promised "serious consideration" of the bill; Assemblyman Milton Marks of San Francisco, and others, have also indicated support.

In a letter to supporters of the bill, Chief Su-Worhrom said: "Laws have never been made to protect Indian culture in our area because no white man has ever had the knowledge of handling the Indian laws—only Indians understand their laws. Today there are only a few Indians remaining who have this knowledge and are able to carry on their religious ceremonies, such as the White Deerskin dances and the Jump dances — each of these take about ten days to complete. Songs for these dances are composed from the many sounds of nature — religious sounds of happiness, lilting sounds of joy, and also sounds of destruction, sorrow and sadness. At the present time, there are no more than ten men who have enough authentic costumes for these ceremonial dances.

Other people have a few pieces of these costumes, but for the most part our costumes have been placed in museums all over the United States and in many foreign countries."

Risling, Sr., resides on the Hoopa Indian reservation in Humboldt County, and has been an ardent supporter of Indian rights.

Grover Sanderson (Chief Eagle Wing) of 3155 San Jose avenue, has spent a good portioin of his life endeavoring to preserve Indian ways and customs. He is the Ex-Phinipa—great-great grandson of the chief of the Karuks, who signed with his thumbprint a treaty in 1852.

Both men have been instrumental in legislation to improve the lot of California Indians. Both are Karuk chiefs.

It was through their combined efforts that laws were instigated to allow suits against the federal government for payment of lands which, according to the Original Treaty of 1852, signed by President Fillmore's emmisaries with the Karuk, Urok and Hoopa chiefs, would pay the Indians $1.25 per acre for their lands.

This case is still pending in Washington, D. C. The Indians have been advised by legal representatives in Washington that the bill will be awarded in their favor.

Folk Dancing, A Local Attraction

Folk dancing continues as the attraction at the Daly City War Memorial Community Center on Friday nights from 8 to 10 o'clock and newcomers are welcome at all times.

The combination class proved to be a happy solution to the problem of satisfying beginners as well as those more advanced.

Dances are taught again for new folk dancers and there is a new dance almost every week.

Special attention is given to dances appearing on festival programs so that our Daly City folk dancers will not only enjoy watching but will be able to participate.

New couples are entering the class now and if enough are interested, the folk dancing will continue through the summer months. This is the only folk dance group that is right in your own backyard.

There are school teachers, nurses, men who work on their feet all day, mothers of two or three children, store clerks —all can say they are too tired or do not need more exercise —but come and see for yourself how much they enjoy their weekly folk dancing.

There is even an opportunity to get acquainted over a congenial cup of coffee or tea and maybe the contents of somebody's cookie jar.

For information, call Elsie Maclaren, director, at PLaza 5-0065 evenings.

NEW BANK — An architects sketch of proposed First National Bank of Daly City which will be under construction within the next 30 days at Mission street and Vista Grande avenue, adjacent to the War Memorial Community Center.

Police Warn on Kids In Shopping Centers

The Daly City police department has received complaints of children playing in the shopping centers, both before school hours and after.

The shopping center parking areas are heavily travelled by shoppers, who are often hurrying home to their family responsibilities.

Detective Phil LaBruzzo commented on the situation: "Needless to say, children running and playing in these areas are unnecessarily subjected to hazards which could be avoided by their playing in playgrounds and school grounds provided for the purpose.

"The police department has arrested several children who took merchandise from shelves without paying for it. Often these items have been things they had no apparent need for or things their parents would have been happy to purchase for them.

"Because many children frequent the shops to look around, they are subjected to many temptations and as a result many good children fall victims to these temptations and run afoul of the law.

"Although the shopping centers are public in nature, we must bear in mind that the merchants are there to earn a livelihood for themselves and their families. Running about, playing and shouting may tend to drive the shoppeds elsewhere.

"The shopping centers are there for our use. Let us use them for the purpose they were intended and let us encourage our children to play in provided areas."

In 1911, California became the sixth state to grant the right to vote to women.

Newcomers Club Visits McClellands

In a week when orchids are featured in an article in Life magazine and on the very day that the Netherlands princess visited Rod McLellan's "Acres of Orchids," the Daly City Newcomers, Aamona Birke, director, did the same on Tuesday, April 16.

After a lovely lunch in the banquet room at Toto's, which features fine Italian cusine, the Newcomers doubled up into each others cars and formed a caravan to Rod McLellan's for a most interesting and delightful afternoon viewing beautiful and rare species of orchids and the many other flowers that are raised there. All were given a gardenia corsage at the end of the tour.

Annual Spring Concert Friday At South San Francisco High

The South San Francisco High School concert band will present its 34th annual spring concert on Friday, April 26, at 8 o'clock in the high school auditorium.

The band, 75 members strong, will play such varied selections as the "Polovestian Dances," the "Fete," the "Concord Overture," Sousa's "Stars and Stripes Forever," and the Overture in E by Carter.

Also performing will be the award-winning "Blue Knights" dance band and the newly organized Woodwing Choir Society. The "Blue Knights" will play some of the numbers that won for them honors at the Reno, Nev., and Riordon invitational band concerts.

They will also play several selections, including "Waltz of the Prophets" and "Bluer Than Blue."

The nature of the Woodwing Choir's music dates back to the classical and romantic periods of small chamber music ensembles. Today much "modern" music is being written for groups with the same instrumentation.

This free concert, open to the public, is being presented as a part of Public Schools Week.

Three vice presidents, John Breckinridge, Richard Nixon and Henry Wallace ran unsuccessfully for president.

Open House at Pacifica Nursery

Open house will be held at the Pacifica Nursery School on Wednesday, May 1, from 9 to 12 a. m. All interested parents and children are invited to attend and get acquainted.

Children are invited to participate in the school activities of the day, which consists of blocks, clay, paint, puzzles, stories, music and outdoor play with other pre-schoolers. The parents will have an opportunity to observe these activities as well as to talk with the teacher and other parents about common problems.

The school, located in the First Baptist Church of Pacifica at 610 Edgemar avenue, Pacifica Manor, is a parent-participation organization conducted as a part of the adult education division of Jefferson Union High School District. It is a non-profit, nonsectarian organization and is managed by an executive board.

The school is open to children from two and 9 months to kindergarten age. Children attend a three to five day program. The monthly tuition is $10 for a three-day week and $12 for a five-day week. School is held from 9 a. m. to 12 noon daily.

Car pools may be arranged. For further information contact Jane Stillman, the membership chairman, EL 9-1036.

Local Kids Win Toy Tinkers Award

Susan, James and Linda Tomlinson of 420 Lakeshire drive, Daly City, were honored recently with a Junior "Tinkertoy" Engineer certificate of award from The Toy Tinkers, division of A. G. Spalding & Bros., Inc.

Young Susan, James and Linda received the award for submitting an unusual model of "Mouse Trap" and a "Marble or Stick Cannon" made from a "Tinkertoy" construction set.

The award certificate reads: "In recognition of creative imagination, ingenuity and skill, the Toy Tinkers offers this certificate as evidence of this achievement."

Princess Among The Orchids

Crown Princess Beatrix of the Netherlands with her hosts during her San Francisco visit, Mr. and Mrs. J. D. Zellerbach, and member of the consular staff, on Tuesday, April 16, visited the world famous "Acres of Orchids," the Rod McLellan Company's orchid nursery in South San Francisco.

During her tour of the nursery, the princess met two countrymen employed at the nursery, Mrs. Detty Vallenga and Miss Miep Van Buitenen, who pinned a white corsage of Cattleya Snow Nymph on the princess' black coat. The orchid has been developed by the Rod McLellan Company.

The princess had expressed an interest in orchids during a conversation with her hosts on the previous evening. Mrs. Zellerbach has an orchid collection of her own.

Before leaving, the princess selected for purchase a white Cattleya called Myron A. Hofer — she had expressed a preference for the smaller-flower and specie orchids.

The princess' visit was, at her own request, strictly private and a closely guarded secret. The informality of her tour through the nursery was an obvious delight to the princess and to members of the staff at "Acres of Orchids."

3rd Grade Classes Enjoy Bay Cruise

On April 3rd, the third grade classes of Mrs. Kazakoff and Mrs. DelRosso of Thomas Edison School enjoyed a field trip around the San Francisco Bay. The children observed many interesteing sights from the Harbor Queen.

The trip correlated with their Social Studies Unit on San Mateo County and the surrounding communities and their dependence upon each other.

Highlights of the trip occurred when the children were able to eat their lunches at Aquatic Park, viewed the bridges and the Ferry Building from the Skyway and then experienced a ride through the Broadway Tunnel.

Bell Ringers Planning Mental Health March

"The bell-ringer's hand is the hand of the community at your door."

This, announced Christian De Guigne III, is the slogan of the San Mateo Mental Health Association's 1963 Bell Ringer March for Mental Health, of which he is chairman.

"Our goal this year had been set at $50,000. We are eager to begin this campaign to close ranks with forces from the White House down who have launched the all-out fight against mental illness," he stated.

Volunteers have been the backbone of any health movement. With the community role in the mental health picture emerging as a most significant source of strength and support, we feel participation in this particular campaign will be truly satisfying to those who join it.

5,000 volunteers will be needed to take part in the house-to-house Mental Health Bell Ringer March between May 12 and 18. Every city in San Mateo County will participate. Those interested in volunteering may contact the office of the Mental Health Association in San Mateo.

De Guigne, who was born in San Mateo, represents the growing community participation in the field of mental health. He has accepted chairmanship of this annual fund-raising drive for the second consecutive year.

Chairman of the Board of Stauffer Chemical Corporation, his many community roles have included membership on the board of the Stanford Research Institute, and the board of directors of the Society of California Pioneers. He is a trustee of Mills Memorial Hospital and regent of the University of San Francisco.

The San Mateo Bell Ringer March is part of the nationwide drive of the National Association for Mental Health.

Bayshore PTA Officers Named

Installation of officers for the Bayshore PTA is now in the past and Mrs. Fred Pajkos is commencing her second term as president. The most important assignment that will be facing the Bayshore PTA is the planning of the program for the term 1963-64.

The program planning is under the direction of Mrs. R. G. Armacost, vice president of Bayshore PTA. Assisting Mrs. Armacost will be Miss Natalie Lipman, superintendent of Bayshore - Midway - Robertson schools; Miss Dorothy Fitzgerald, principal of Bayshore School; Miss Gail O'Grady, principal of Midway and Robertson Schools; the vice president of 17th District, Mrs. John Pleskach, and the officers and chairmen of the Bayshore PTA.

The president, Mrs. Fred Pajkos, will be in attendance at this meeting ex-officio. The financial secretary, Mrs. August Barizon, will call her budget meeting within the next week or so. Plans for the last meeting of the term which will be held Wednesday, May 8 at 2 p.m., Bayshore School Auditorium, will be discussed at the executive board meeting on Wednesday, April 24, 10 a.m. at the Public Library, 129 Accacia St.

Mayre Albert Heads Vet Aux. In South City

Commander Anthony (Tony) Dias reports that South San Francisco Post 4103 of the Veterans of Foreign Wars and the ladies auxiliary will hold their eighth year joint installation of officers for the ensuing year on April 27 at 7:30 p. m. in the Veterans hall, 312 Maple avenue in South San Francisco.

The commander-elect is Paul Fontana; senior vice commander, Joseph Chiara; junior vice commander, John Mullins; quartermaster, Edward Jones, Sr.; chaplain, Albert Collins.

The installing officer will be Ray Brulez, adjutant and quartermaster and past commander of Old Glory post 2044 in Daly City. Joseph P. McQuaide, post 1205, San Francisco, will assist the installing officer.

Officers elected by the Auxiliary are Mrs. Leroy Albert (Mayre), president; Dorothy Whitlock, Jr., senior vice president; Hazel Lund, junior vice president; Rose Fisher, treasurer; Mrs. Lawrence (Stella) Magoon, secretary, and Mrs. Tom (Jesslyn) Walsh, chaplain.

Rose Fisher, past district president, will install the new auxiliary officers, assisted by San Francisco auxiliary 2517.

The installation will mark a highlight for the post home, which has been undergoing repairs for the past two years.

Boy Scout Troop 279 and Cub Scout Troop 279 will be present at the ceremony. Mrs. Tom Walsh, chaplain, reports that the Royalettes will make an appearance at the installation.

The public is invited. Refreshments will be served. All are welcome.

AUTOMOTIVE NEWS

New Muffler Shop Opens

A new Midas Muffler shop opened recently at 49 Ocean Avenue just off Alemany Boulevard. This is part of the expansion plan of the Midas Muffler Company in an effort to better serve the public in every district in the bay area.

Mr. Julian Klienman, owner-manager of the Ocean Avenue shop explained, "This new muffler shop has the latest in equipment to offer a minimum of time for a job, (about 15 minutes) and the men in the shop have been specially trained for this. We also do shock absorber work and are equipped to do custom jobs when necessary.

We also offer to our customers a waiting lounge where they can relax in comfort and enjoy hot coffee or chocolate or just read the latest magazines. I have found that my new finance plan, no money down and long term payments have helped our customers get the job done that they probably would wait months to have done."

Peter Pan Motors Holds Grand Opening

Celebrating its grand opening this week is the Peter Pan Motors located at 6674 Mission St., Daly City. Mr. Gus Panos, owner, is probably one of the youngest auto dealers in Daly City. Panos entered the automotive field in 1948 with McAllister Buick. Upon leaving McAllister, Panos opened a business on a 30-car lot.

Three years ago he again expanded to a lot that would accommodate 75 cars and now to the present location where he is displaying well over 100 cars, from good transportation to late model cars of all makes, and is in the process of opening a second location in Daly City in the very near future.

Says Panos: "I believe we have one of the largest used car lots in the area and am pleased to say we enjoy a good deal of trade from the Daly City, Westlake and South San Francisco areas.

"We find that with good bank financing and my own which I call 'Peter Pan Easy Financing' we have a good repeat business."

Peter Pan Motors has a reconditioning shop where they keep their cars in top shape. Panos employs 10 salesmen to serve you. The new store hours are from 8:30 a.m. to 10 p.m. seven days a week.

Motorists, it seems, seldom think of replacing the hose connections in the cooling system.

They should, according to the National Automobile Club. Long before the hose may break, the inside tends to shred. In this form, it will work its way into the radiator and block up the system.

Very often, there is no way of removing these shreds, and that can mean a new radiator core.

Zinnias

All-America flowers usually win that honor because they are absolutely tops in their field. Among annuals this year, two zinnias were elevated to AA rank and both are offered as seedlings by California Association of Nurserymen members this year. The variety Thumbelina, a wonderful dwarf with double and semi-double flowers about 1¼ inches across, is found in mixed colors. These little plants grow only about six inches high and are wonderful for edging and massing. The variety Firecracker is a huge cactus type zinnia, found in red only as the name might suggest.

Always look both ways before crossing the street, advises the National Automobile Club.

PADS FOR THE PEDALS

Your old car will be easier and safer to drive, points out the National Automobile Club, if you remember to get new rubber pads for the brake and cluth pedals if they are entirely gone or if what is left of them is nothing more than a fragile skeleton.

Warrior Netters Drop Hillsdale; Lose to Rain

The South San Francisco Tennis team swept to their eleventh and twelfth victories of the season by defeating Hillsdale last Wednesday 7-0 and by dropping Capuchino 5-2, the following day. This was the first win registered over Hillsdale by the Warriors. Cap was without their number one singles player.

Winning for the Warriors over Capuchino was Rich Mozzini, Edison Louie, and Terra Megna in the singles. The number one doubles team Ellsworth and Durham, and the number two team of Dong and Sallaberry provided the other two points.

The Warriors were caught in the middle of their match with El Camino by the rain last Friday. At the time that play was stopped the top singles men, Mozzini and Megna, had won their matches for the Warriors. The remaining matches of the meet will be held this week, as the Warriors will be going for their thirteenth victory against three losses.

Following the El Camino match the Warrior netmen will face Aragon and Hillsdale.

STEVE WILLIS failed to clear the bar in this attempt, taking it down with leg, hip and arm. Steve won the high jump, however, taking the event at 5-6. Willis has yet to be defeated in this event in dual meet competition.

Fitness Test Winners at Oceana Named

Eighteen Pacifica youngsters competed for honors at Oceana High School on Saturday, April 13, in the City Wide Physical Fitness Finals. Those contending had gained eligibility for the finals by winning the highest points in individual competition at their respective schools prior to Saturday.

The park, beach and recreation department felt that participation was hampered by the rainy weather, but nevertheless were pleased to see the "fittest" out to compete in the standing broad jump, 50 and 75 yard dashes, softball throw, push-ups, sit-ups and the 440 yard run.

Winners of the events and classifications were as follows:

Eight and nine year old boys—Mark McKenzie, Linda Mar School, first.

—Patty Formancy, Linda Mar School, first; Susan Boot, Vallemar School, and Melissa O'Reilly, Linda Mar school, tied for second.

Ten and 11 years old boys—Larry Weber, Linda Mar School, first; Gary Hughes, Linda Mar School, second.

Ten and 11 year old girls—Ann Barrett, Sharp Park School, second.

Twelve, 13 and 14 year old boys — Bill Boot, Vallemar, first; Gus Mau, Sharp Park, second.

Twelve, 13 and 14 year old girls — Claudia Reilly, Linda Mar School, first; Stella Hays, Vallemar School, second.

Others competing in the finals were Lois Crawford, Vallemar; Kerry Badman, Linda Mar; Lance Martin, Sharp Park; Suzanne Chesson, Vallemar; Kim Badman, Linda Mar; Brenda and Linda Myrick, Sharp Park.

Civil Defense Hospital Staffed

Disaster plans provide for the transfer of 100 key persons, including 55 physicians, from Peninsula Hospital to the Daly City Civil Defense emergency hospital facility.

According to Bill Hawley, administrative assistant, these persons make up the core staff and they are familiar with hospital operations and are prepared to move into the Daly City facility and make it operational.

THEY'RE OFF in both directions at the Jeff-Oceana track meet. This is actually the start of the B's 75-yard dash, those sweat-suited figures going the other way are the varsity sprinters who used the back of the blocks for a practice start. The Jeffs swept the event.

Jeff Tops Oceana —Faces South City

Jefferson found unexpected opposition from Oceana, but still managed a one-sided victory at the Sharks' rain-sodden track, winning 80-32. Woller again performed well for the Jeffs, winning the discus with a toss of 151.3 feet, then taking the shot putt at 48 feet 8½ inches.

The rain had muddied the track sufficiently to give winning efforts absurdly slow times.

Larry Jones took the 150-yard dash in 16.4 seconds (the track being too wet for the full 220). Pete Farrell took the 100-yard dash in a 10.6 clocking, while Bill Skrifvars took the 440 for the Oceana Sharks in the good time of 52.2.

Coach Bob Lualhati stated that the meet with SSF should be very close, but that the loss of Shutz will hurt South City a great deal. The Jeff mentor added that the 440 shapes up as one of the key races. The Indians' Al Stevens has run this distance in close to the 51-second mark.

Imperials Grab Volleyball Crown

Paced by their number one team, the Imperial Junior High Teen Club captured first place honors in Saturday's first annual co-ed volleyball tourney sponsored by the Daly City recreation department.

The team composed of captain Eugene Chase, Jim Borantino, Keith Steller, Ellen Johnson, Debbie Fore and Joelen Timbreza swept undefeated through division one play before defeating division two champs — Majestics III, 18-10, in the semi-final round and defeating the other semi-finalist—Casualiers II, 13-8, to walk off with the coveted perpetual trophy.

Twenty teams and more than seventh and eighth grade boys and girls representing the six junior high teen clubs participated in Saturday's all-day event.

Round divisions of five teams each competed in round robin play to determine semi finalist qualifiers who then competed on a single-elimination basis to determine the overall championship.

Division standings were as follows:

Division I	W.	L.	Pts.

Ram Golfers Stay Unbeaten

The Westmoor High School golf team is showing signs of being one of the finest outfits in the Bay Area, having recently defeated Terra Nova, 20-1: Lincoln High School, 5½-3½, and Saint Ignatius, 18-3.

In the Rams' win over Lincoln, Mori, Fair and Bento all shot 72's to defeat the city's strongest team.

Against SI, the Westmoor golfers played on the par 69 Lincoln golf course, with Mori coming in at one over, and Fair, Bento and Perazzo stroking 71, 73 and 74, respectively.

This Thursday, the Rams will face the tough Burlingame squad at the Mid-Peninsulan's own course. Coach Giamonna stated that the Rams can really prove themselves in their away match as Burlingame not only has several low handicap golfers but also will have the advantage of a familiar course.

Three 180-mph Dragsters Vie at Half Moon Bay

A big turn-out of stock and super-stock cars is expected to reach the starting line at Half Moon Bay Drag Strip during the competition to be held at the famous Northern California Speed Course this Sunday.

The Half Moon Bay Strip, home base of the fastest Chevrolet dragster in the nation, the Champion Speed Shop Special from South San Francisco with driver Sammy Hale will field a host of high speed competition cars in all classes. The Champion Speed Shop Special dragster has exceeded 180 miles per hour with e.t.'s in the low 8 seconds.

For competition Hale will have the Capitol Speed Shop Special from Sacramento. This famous super-charged Chrysler dragster with driver Harold Carruthers turns speeds also of 180 miles per hour with e.t.'s of 8.3 seconds. Chuck Flores from Redwood City will be driving his super-charged Chrysler dragster, registered speed 180 miles per hour, e.t.'s 8.50 seconds. (All three dragsters compete in a class where the fuel is not limited.)

This Sunday's race will be the first scheduled drag meet at Half Moon Bay drag strip after the lull in drag activity due to the Easter holiday and bad weather. As usual, there will be a full schedule of stock and super-stock entries.

CZAR — An extra ordinarily well trained police dog that is a valuable part of the Broadmoor police department, was shown by Captain Savage at the recent Chamber of Commerce meeting. Threatened with a club, this dog becomes a weapon, a fact that Czar demonstrated with an awesome and immediate reaction. The dog is used in prowler and burglary investigations, relieving the officers of the necessity of entering with drawn pistols.

Rec Baseball Leagues Begin Play April 30

The Daly City department of recreation will open its annual spring baseball leagues on April 30. Local parks will help hold league lay Tuesday, Wednesday and Thursday nights and Saturdays.

The midget league will consist of two seven-team divisions this year. Midget games will be played at Westlake Park, Marchbanks Park and on the Colma School diamond.

Teams and coaches in this year's Midget League are as follows:

BYA Bender Roofing Cats, Bob Abbott and Ray Stewart; BYA George Harrison, Randy Hix and Al Smith; Holy Angels Colts, Bob Payne and Gene Nungiati; Holy Angels Lions, Joe Cardera and Ray Leahy; OLM Leopards, Al Antroccoli; OLM Dons, Jack Grialish and Don Gordon; Misricks Sporting Goods, Bill Mitchell; OLPH Golds Church, Mc Guigan; Pal Brovas, Paul Compion Pal Cardinals, Rich Brewer, Pal Indians, Leonard Barnetta and Richard Hage; PAL Giants, Cornell Holmes; PAL Redsox, Fred Belluomini.

Pre-season favorites include the Holy Angels Colts. Colts repeaters include Timmy Dillon, Larry Ciardella and Joe March. These boys form a tough core. Al Antroccoli's OLM Leopards should give a good account of themselves while the PAL Indians will come raging out of the Crocker district, led by big chief Lennie Barnetto. Competition should be excellent.

The Intermediate League, using 75-foot base paths will be played at the new diamond at Westlake Park and Colma School. The new north diamond at Westlake was designed to host both the Interme diate League, midget baseball and softball.

Park Superintendent A. J. Comi has done another outstanding job in diamond construction. Competing for honors in this league will be BYA Relish Bakery, George Brenk, Jerry Plyer and Ernest Kerger. BYA Bender Roofers, Sam Mannina, Chris Rosen and Dino Poulos; Holy Angels Shamrocks, Dickk Collins and Al Driscoll; OLM Aces, Bill Feeley and John Kilday; PAL Dodgers, Rock Kubowitz; St. Paul's, Ron Rosa.

These teams are composed of seventh grade boys and play on the smaller-than-regulation diamond to make the transition to the full size diamond more gradual.

The Junior League this year will be composed of six teams. These boys go on the full size diamond and all games will be played at Marchbanks Park.

Pre-season favorites are George Pedroni's PAL Tigers and Jim Davis' OLM Saints. Both clubs have terrific personnel but the Saints' piteher, Jim Davis, Jr., may be the difference. Not out of the running by any means will be Frank Rodriquez's Skyline Plaza Merchants, Ben Parodi's OLPH Falcons and Bob Kramer's PAL Cubs. These teams are all capable of knocking off each other. The season will be a gruelling one and may finish up with a real surprise.

Games will start at 6:15 p. m. on April 30 in the league openers.

Rams Nine Nails Oceana

The rain stopped just long enough Monday afternoon for the Westmoor baseball team to destroy the visiting and soon shell-shocked Oceana nine.

With South San Francisco posting an impressive 10-1 win over El Camino on Friday, the Rams certainly had something to shoot for. They did, and Oceana toppled, 13-1.

Bruce Hix had another one of those days, getting a single in the second, then carefully selecting a spot 380 feet away, cracked a grand-slam home run off Brede in the third inning, and then hit the same spot in the fourth stanza, this one with a runner on board. Oceana, observing this process dutifully, grew crafty and walked him the next time Hix got to the plate.

Very clever people.

Hix was nearly inconsolable with a paltry two home runs, a single and six RBIs in three times at bat.

Gary Davis, with a comfortable lead, toiled easily on the mound for the Rams, striking out nine but encountering streaks of wildness that led to five walks and two hit batters.

The Rams play Jefferson tomorrow and coach Rod Losberger, long on hurlers, will start Tito Torres, South San Francisco meeting Terra Nova and El Camino facing Oceana.

But the big one arrives Friday at Westmoor, when the Rams host South City. A crucial, no less, and the season so young. The duel between Hix and Warrior pitcher Chuck Oliveira, both batmans at 5-6, should prove worth seeing.

Rams Spike Oceana, 89-10; Set 220 Mark

The Westmoor High School track team, led by Roy Pinelli and Larry Pellit, defeated Oceana, 89-10, in a North Peninsula League dual track meet.

Pinelli turned in the best time in the 220 yard dash in San Mateo County to date when he ran it in 22.0. One step behind Pinelli, with a 22.2 time, was Oceana's Bill Skirfvars. The time was a school record.

Pinelli also scored a first in the 100 yard dash with a 10.4 clocking.

Westmoor won the Class B meet, 78 2-5 to 29 1-5.

The Rams made it a clean sweep for the day as they bested Oceana in the Class C division, 45-41.

Mike Nunes of Oceana took two first in the Class C meet, triumphing in the 120 low hurdles, the high jump and placing second in the 75 yard dash.

S.S.F. Aquas Drown T.N.

The Warrior mermen splashed their way to a complete sweep over Terra Nova last Friday, winning all three classes with scores of 61-29 recorded by the varsity, and 59-19 and 44-14 for B and C teams, respectively.

The Warriors again had a double winner in freestyler jack-of-all-trades Shelton, who won the 50-yard free style in 25.5 seconds and the 100-yard fly in 1:09 flat. Soals also won two events for the Warrior mermen, the 220-yard individual medley in 2:46.3 and the 100-yard backstroke in 1:15.5.

Frome, Montgomery and Prince were the workhorses for Terra Nova.

Frome won the 200-yard free in 2:34.6, then finished behind teammate Montgomery in the 400-yard free—won in 5:32.8. Prince hauled in six points for the losing cause with seconds in the freestyle sprints.

The Warriors came up with two double winners, both winning the same events, the 50 and 100-yard freestyle. Berthume won the B's in 28.9 and 1:06.6, while Tambini won for the C's with times of 28.9 and 1:03 flat. The latter was the best time of the day in this event, with the Warriors' Wortenburg turning a varsity time of 1:04.2 for the century.

With this win, the Warriors hold an undefeated (6-0) varsity record and first place in the NPL. The B's are in third place with a 2-4 record and the C's are tied with Jefferson for first with 5-1 records.

Scouts Look for Missing Youth

About 50 local Boy Scouts combed the Crocker Hills last Saturday in search of Wayne Silber, missing 13-year-old Daly City youth. Nothing was turned up in the search.

Taking part were Troops 347, 65, 248, 392 and 113.

MAYOR JOE VERDUCCI welcomes almost 200 Navy bowlers to Daly City as he opened the annual Twelfth Naval District bowling tournament last week at Westlake Bowl.

It's SPARE TIME

at Westlake Bowl

By JIM GREALISH

Ruth Tobin set the pace in the Morning Glories League last Wednesday as she rolled a big 201 and a 516 series to lead the ladies. Top split converters were June Tarczy who converted the 5-10 twice and Annette Ascuitto who picked up the 4-10.

Two new leagues started their summer seasons last week as the Ball and Chain Mixed Fives and the 850 Mixed Scratch League took off on their first week of competition.

YWCA Secretary Doris Arnott presented husband Ralph with their fourth son which gives him the fifth member of their family bowling team.

The Westlake Junior Easter Tournament came to a close last weekend with almost double the entries of last year. Junior bowlers came from all parts of Northern California to compete.

Del Muskin and Lorraine Picchi teamed to take first place in the Monday Handicap Doubles and June Tarczy and Gerry Nelson took second place.

For the second consecutive week, Tim Dunn took home the $150 first prize in the Weekend Gold Coast Sweeper as he rolled a six game total over the 1300 mark. Second prize of $50 went to Dave Campbell while Al Palmer won $24 for placing third. Since this popular feature is limited to sixteen bowlers, the 180 and above average shooters are registering early.

Next Sunday afternoon will find over 100 Y.M.I. bowlers visiting Westlake for the annual State Young Men's Institute Bowling Tournament. Chairman Leo Revello announced entries had been received from all parts of California.

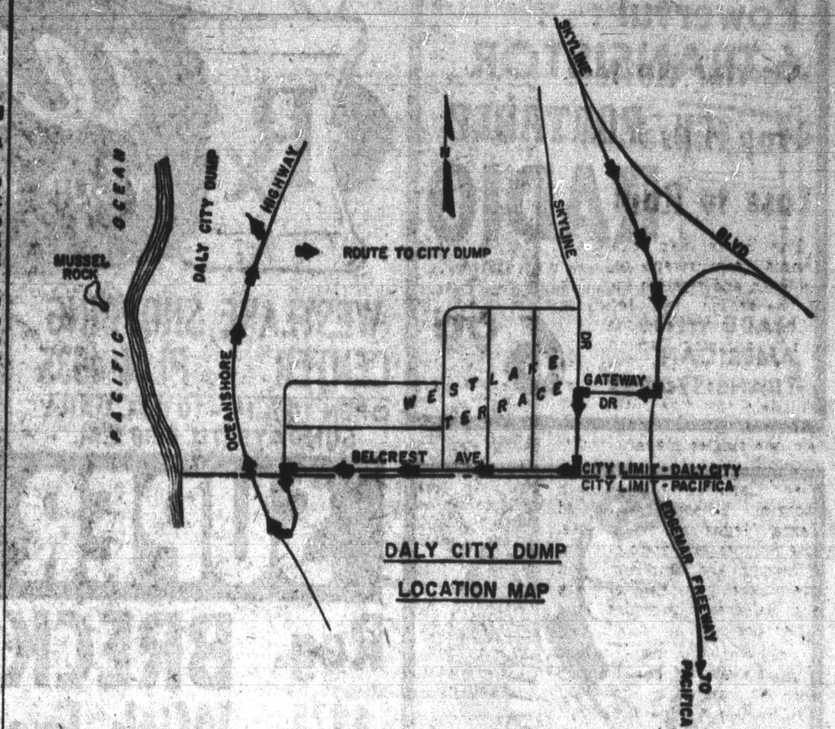
Les Reams and Freeman yet won paid entries in the Westlake Rolloff of the Gold Coast Classic by leading their divisions during the second qualifying week while Tim Dunn, Gary Moeller, Wes Hill and Ralph Brown won paid entries by placing in the top two spots of each division in the weekly rolloff of the first week qualifiers. With entries running far ahead of last year, it now seems certain that the total prize fund will approach $50,000 in the singles tournament which runs until June 2.

Open play bowlers are taking over the lanes these nights as the winter leagues draw to a close and league bowlers take a few weeks off before starting summer competition.

As the Canco League ended the winter league and made plans to start the summer session next Monday, Augie Lopez gove his fellow bowlers something to remember him by as he converted the 4-7-9-10 split, a shot that was worth $28,000 on the "Make That Spare" television show a few months ago. Eloth Chappot played the part of leading lady on the last night as she shot games of 216 and 226 on her way to a 593 series.

Vince Ferrigno and Art Krause ran neck and neck in the Friday Jackpot Sweeper as Vince shot 708 and Art turned in a 707 handicap series. However, Vince used all his strikes in the Sweeper as Ross Guieb beat him one strike to none in the Jackpot Rolloff to retain his King of the Hill title.

The high roller in the Marche Club last Monday night was Bruno Paulucci who posted a big 230 game and 577 series.



FREE DUMPING—The Daly City Scavenger Company will open its dumps to all people the company serves through April 28. Residents will be able to dump all the rubbish around their homes free from 8 a. m. to 5 p. m. each day.

Serra Bowl News

Scoring is soaring and competition is keen at Serra Bowl as the winter season draws to a close. Steve Kropog posted this week's high game in the 750 Masters loop with a sizzling 227 in his 536 series; as a result his Steve's Flying "A" team demolished the Tes Auto Wreckers for a four point win last Thursday night.

In the 828 Scratch league Wade Yancy led his Eakin & Eakin boys to a 3-0 win over Harrison Realty with a strong 222-602 threesome.

Liz Dulak, bowling in the Wednesday morning Feather Duster ladies league bagged seven strikes in-a-row on her way to a smashing 223 game which proved to be the high feminine effort for the week.

Bank of California bowler Phil Bolander had Serra bowlers on the edge of their seats Thursday as he opened his second stanza with nine strikes on the way to a perfect game. A single pin leave on the 10th ball ended Phil's 300 efforts but he finished a fine 277 single and a 641 series as his team swept 2 out of 3 games from Wells Fargo No. 2 in Bankers league action.

Wednesday evening is tournament nite at Serra Bowl for the Westlake Bridge Club division of the American Contract Bridge League. Director Art Westerveld presides at the 7:30 p.m. meetings and any questions regarding this activity should be directed to him at BAyview 1-9340.

Bob Brown bagged a 239-573 series in the 806 Scratch league as his team, Johnny's 2400 Club, took all three games from the Bear Photo five.

Stan Clark paced his Gilt Edge Meat Market team to a 3-1 victory over Brouillard Construction in 700 H'dcp action with a strong 248-540 tally.

Paul Pedroni totaled a classy 228-611 in last week's Knights of Columbus kegling, and Jack Matthews picked up 225 and 527 in the newly formed Magicians loop.

SEA BOWL NEWS

The firing is finished and the last sigh has been sighed over what might have proved to be the best scores ever, IF only that dad-gummed ten pin — oh, well.

Our first annual Pacifica championships are finished and the teams and scores in order of finish were Hal's Cleaners with 3131, the Sandy Braggers, 3109; Gabby's Gang, 3101, and Marv's Marauders with 3100.

In first place for the singles was our fighting fireman, the Art Carney of Pacifica, Joe Kocher with 700 on the nose. He was closely followed by Dan Barnes, 683; Jon Marshall, 682, and Bill Pond at 679.

The doubles were won by Sam Fox and Harvie Veprin with 1358 and followed by Howard Jensen and Dave Sarmento with 1299, and Bob Hall and Bob Alexander with 1298.

In the All-Events, the thermometer of a high or low scoring tournament, the scores speak for themselves with Dan Barnes winning it with 2009; Jon Marshall, 1965; Joe Kocher, 1951; Bill Hammerstad, 1937, and Sam Fox, 1934.

The Junior League has been organized for summer and will begin May 4 at 11 a. m. Anyone interested in the Family League — the adult junior league — is urged to call Bob West at the bowl. The meeting for this league has been set for next Sunday morning at 11 o'clock.

Bantam Leaguers are set for their meeting to form their summer league next Saturday at 9:45 a.m. All bantams are urged to attend this meeting.

We still have a few spots in some of the summer leagues and are scheduled to be in full swing on all leagues by the 15th of May.

Harold Kull's name was drawn for the Moonlite Sweepstakes and wasn't around to collect, so the drawing will be held again next week on Sunday at approximately midnight.

Now for a review of last week's scores: Yawners: Peg Schlothan 212—466, Claire Bryan 174—458, and Beth Randall 160—438. Tavern League: Bob West 223—631, Bob Preston 203—594, and Ed Wiversoll 205—584. Pacifica Travelers: Willard Hodgson 224—631, Hank Felty 195—579, Mary Miller 171—477, and Lee Nerli 183—477. Moonshiners: Connie Bryant 160—453, Fran Roe, 176—446, and Margo Jones 158—435. Ladies 540 Scratch: Marty Mannina, 218—536; Eleanor Payne, 184—479, and Betsy Gardner, 163—447. Merchants 525 Scratch Trio: Bob "Cochise" West, 221—820; Dolly Thielen, 236—818; Ralph Edwards, 234—803, and some nice singles by Layton Van Etten, 232; Ron Jodsaas, 225, and Dan Barnes, 221.

860 Sea Bowl Classic: Bob West, 234—652; Gene Over, 243—645; Mike Calais, 245—603, and Gabby Mattson, 247—614; Art Ross, 222—605; Dolly Thielen, 235—603, and a whole bunch of 200's.

Kings & Queens—National: Betty Thomas, 214—579; Pat Waterman, 168—476; Bernie Cohn, 234—587; Jim Buerke, 222—584, and Bob Jackson with a nice 230 single.

Kings & Queens—American: Kay Hutchinson, 203—547; Marge Ohlander, 187-466; Don Ellefson, 213—594, and Red Perrier ,242 — 567. Marion Jones pulled off a very unusual trick; she picked up the 6-7-10 split twice in a row.

Ram Spikes Crush Colts

The Westmoor track squad crushed El Camino High School with a lopsided 102-10 victory that saw the Rams sweep six events, come up with two double winners and keep their undefeated season intact.

Larry Pettit won both hurdles races for the Rams, posting a 17.9 time for the high hurdles and a 22 flat for the lows. Roy Pinelli took both dash events, with times of 10.8 in the century and 22.7 seconds in the 220-yard dash.

Westmoor also ruled the class B and C competition, with scores of 73½-35½ and 74-11.

John H. Amador Serves at Ft. Sill

Army Pvt. John H. Amador, son of Mr. and Mrs. Horace A. Amador, 301 Evergreen ave., Daly City, completed eight weeks of training as a cannoneer at The Artillery and Missile Center, Fort Sill, Okla., April 5.

Amador was trained as a crewman for field artillery gun or howitzer units.

The 18-year-old soldier entered the Army last November and completed basic combat training at Fort Ord, California.

He is a 1962 graduate of Jefferson High School. Before entering the Army, Amador was employed by the Bank of America, San Francisco.

Music Week Fete At Westmoor

National Music Week will observe its 40th year during the week of May 5-12. Its purpose is to make every individual more music conscious; to recognize the value of music, and to remind us that we must have music in our everyday life to live in tune with the times. This year's theme is "Let the World Rejoice with Music."

Modern Music Masters, the national music honor society, is cooperating with the National Federation of Music Clubs in sponsoring Music Week. Chapter 518 of Modern Music Masters is established at Westmoor High School with Howard Loeffler serving as faculty sponsor.

Students are selected for membership on an honor basis in both music and academic subjects and must engage in solo or ensemble work, giving "service through good music to the school, church and the community."

Skydiving Show At Shopping Center

A spectacular skydiving show will be the feature of grand opening ceremonies for the Ben Franklin variety store at St. Francis Square Shopping Center in Daly City, according to William Schaefer, president of the St. Francis Square Shopping Center Merchants' Association.

Kaz Ostrom, "the Viking of the Sky," will put on a dazzling display of aerial acrobatics when he jumps from 10,000 feet and free falls for more than a mile before opening his parachute and landing on the shopping center parking lot," Schaefer said.

"He'll have lollipops for the little ones and merchandise certificates for their mothers and fathers," Schaefer added.

Schaefer pointed out that the 6,000 square foot Ben Franklin store will offer special grand opening sale prices and values and that center-wide activities, high-lighted by the parachute jump, will also take place.

"The new Ben Franklin store is just one more step towards our goal of making St. Francis Square one of the most complete neighborhood shopping centers in the Bay Area," said Schaefer.

A center-wide grand opening sale is planned for Thursday, Friday and Saturday, May 2, 3 and 4. An official ribbon cutting and parachute jump will take place Saturday morning May 4, at 10 o'clock.

Teenager Hurt In Daly City

A 16-year-old San Francisco youth was injured last Friday night when he fainted while driving and his car ran into a light pole at Lake Merced and Alemany boulevard in Daly City.

Stephen S. Kramer, a Lincoln High School student, told Daly City police he blacked out before losing control of the car.

He was transported to Kaiser Foundation Hospital in San Francisco, treated for a possible leg fracture, and then transferred to Mt. Sinai Hospital in San Francisco for further treatement and observation.

Produce Supplier To Talk at Local Rotary Club May 1

Jim Hall of the Golden Gate Produce Terminal will be the May 1 speaker at a meeting of the Daly City Rotary Club.

Hall of Sunset Produce Co., Golden Gate Produce Terminal, South San Francisco, has been in some phase of the produce business all of his adult life.

Hall, 53, a long-time San Franciscan, was president of the Associated Fruit and Produce Dealers of San Francisco when that organization took the lead in acquiring the South San Francisco site for the Produce Terminal and in moving the wholesale produce merchants to San Mateo County.

A lieutenant commander in the Naval reserve, Hall entered the produce industry during the Depression. During the War, he was in charge of food provision both here and in the South Pacific.

Summer School Program At Jefferson High

The Jefferson Union High School District will offer its 1963 summer school program at Westmoor High School beginning June 19 and ending on August 9.

Application registration forms and program offerings are now available at all district high schools. The regular program will include classes in the following subject fields: English, Mathematics, Languages, Science, Homemaking, Arts, Physical Education and Industrial Arts. Driver Training (behind the wheel) will be offered as a separate program for students who qualify.

Eight classes have been designated as Enrichment Classes. They are: About Communism, Aeronautics, Space Science, Psychology, Books and Ideas, Band Orchestra, and Arts and Crafts.

All classes are to be in session from 8 a. m. to 10 a. m. and from 10 a. m. to noon. Classes carry 5 units of high school credit, including those classes for incoming ninth graders.

Applications must be signed by parents and by the student's high school counselor. Transportation will be furnished for students who live more than two miles from Westmoor.

All applicants for enrollment in the summer school session must be completed and returned to the student's school by May 24. Early registration is recommended to assure the student a place in a preferred class.

Two new regulations will be in effect this year. Students who drop from the program after ten school days will receive a failing grade, and students who are absent more than three times will also be dropped from the program.

Louis J. Martin will serve as Principal this year, and will be assisted by Dean of Girls Barbara Miller of Terra Nova High School.

Drivers' Training Classes for Adults

A new class in driver education and behind the wheel driver training began April 18 at South San Francisco Adult School.

This class consists of instruction on the motor vehicle code, insurance requirements and car operation and maintenance.

Four sessions behind the wheel with hours arranged between instructor and student are included. Additional behind the wheel instruction may be purchased. Fees for this six week course are $15.50.

Interested adults should register at once with the Adult School JU 9-6285, 400 B street, South San Francisco, as the class is limited to 25 students.

Letters to The Editor

To the Editor:

I am very grateful for all the services that your paper gave me in my election for the Jefferson Elementary School District.

I want to thank everyone for the confidence they have in my position. All can rest assured that as long as I sit on the school board, my first thought will be for the best education for our children, and getting the most for our tax dollar.

At this time I want to compliment your paper for fact-reporting on our board meetings and letting the people know the results in school business transacted.

Respectfully,

JOSEPH LEWKOWITZ.

WOMEN'S ACTIVITIES

From A Feminine Viewpoint...

By Mona Baker

It was an enthusiastic and dedicated group of community women who met at the Broadmoor Community Center last Wednesday morning. They came from Daly City, Colma and Pacifica to form the new North Peninsula Circle for the Florence Crittenton Home of San Francisco.

They listened intently as Executive Director Jean Bolton and Volunteer Services Co-ordinator Helen Nemshoff told about the Home and the activities of volunteer circles.

By-laws of the new circle were voted upon and a new slate of officers elected to lead the group.

They include: Jean Markovich, chairman, Mel Bocci, vice chairman, Carole Hutchins, recording secretary and Marie Poggio, treasurer.

If you are interested in becoming a charter member of this worthy community organization telephone membership committee members, Evelyn Colman (PL 6-6238).
or Liz Hopkins (WY 2-0261). There is a limit on the length of time charter memberships will be available so hurry and call if you are interested. The next meeting of the group is scheduled for June.

One of the finest community services that anyone could give has been given by our community leader this week. She welcomed into her home, Helena Frisell, from Sweden, the first foreign student in the Daly City area brought to this country by the local branch of the American Field Service.

Since last October the charming blonde student has been living with the Bill Wagner family in Westlake. Lillian told us that they have thoroughly enjoyed having the young girl and doesn't like to think of the time when she will be returning to her home in Sweden.

Other communtiy organizations of which Lillan is a member is Vista Mar PTA and the League of Musicians Wives.

We salute Lillian Wagner as our community leader for this week. The Wagner family, husband Bill, daughters Marilyn and Dianne, and son, Gary (now attending Reed College) have been Daly City resident since 1954 and live at 1063 87th street.

FASHION WHIRL: Pink poodles, can-can girls, Parisian scenes, will be the decor as the "Mothers of All Faiths" hold their annual fashion show at the Friar Room this Saturday, with clothes from "The Fashion" and wigs by Scissor Fritz. Melva Marinelli, club president is general chairman.

Fifty-three colors are available in Perugia Imports whose knit fashion show last week was a highlight in the Holy Angel's Womens Guild social schedule. A show stealer was an elegant black knit cocktail dress, sparkling with glitter. Models for the show were from the House of Charm.

NEWS BRIEFS: The christening role of his paternal grandfather was born by Dennis William Stansfield, Jr., son of Mr. and Mrs. D. W. Stansfield when he was baptized on Easter Eve at St. Martin's Episcopal Church with Rev. Richard Fowler conducting the ceremony. Sponsors were Mrs. J. H. Blake, Jr., godmother and Gary Stansfield and Robert A. Beruman, godfathers. A buffet supper followed at the home of Dr. and Mrs. Thomas Stansfield with many out-of-town guests including great-grandparents Mr. and Mrs. Robert Hodgkinson from Sonoma, Mrs. Edith Christensen, grandmother from Santa Rosa, Mrs. Ira E. Small, Sonoma, Capt. and Mrs. I. N. Elkin, Novato and Mr. and Mrs. Herman Stegman, San Bruno.

Recently visiting her mother, Ramona Birke (who is recovering nicely after an operation) was Judy Birke who rejoined the Ice Follies in Seattle.

House guests of the Bernard Patrick O'Hares include brother Chuck and wife, Carole, from Southern California and parents, Mr. and Mrs. Carrol from Kelso, Texas.

From New Jersey visiting at the F. Lincoln Walter home is mother, Mrs. George E. Fox.

Thanks for your many letters . . . just keep them coming. Let us know about your parties, guests, weddings. Address Feminine Viewpoint, Westlake Times, 3317 San Jose avenue, Daly City.

HEART SUNDAY LEADERS HONORED — With the conclusion of a successful Heart Sunday campaign, volunteer leaders are all smiles as they receive appreciation awards from the San Mateo County Heart Association. Left to right: Mrs. William P. Goszulak, Daly City Heart Sunday co-chairman; Mrs. Richard E. Shipley, Millbrae, Heart Sunday chairman for the county; Mrs. Barbara H. Betweet Us Gals:

Library Week Cheers DC Pioneers' Ghosts

By BUNNY GILLESPIE

"He left River City the library building, but he left all the books to her" may have been one of the catchie sentences in Meredith Wilson's "Music Man," but for North County-ites the wording could better read, "He left Daly City the library grounds, but . . ." There the similarity ends. No Marian the Librarian is involved locally to our knowledge.

The "he" we're referring to is John Donald Daly, and the building bearing his name today at the top of the hill in Daly City, on the site that he reportedly donated to the cause of improving local literature availability.

(Early publications indicate Daly and "another public-spirited citizen" donated two lots and the building costs for the construction of a Daly City library. Later publications credit John W. Marchbanks with being the then-anonymous philanthropist.

When the one-room, sugar-cube building that was Daly City's first public library building was constructed at 6351 Mission street, back in 1920, books, as well as Daly Citians, were somewhat few and far between. When the library opened, the shelves were very sparsely stocked, but contributions of money and donations of resource and fiction publications were gratefully accepted by the institution.

The bulk of the collection was the 5,000-book installation placed by the San Mateo County Library, which had opened its Daly City branch in February of 1918 at another location.

With the move into its own home, the Daly City branch of the County Library assumed all of the charm of River City's library.

Librarian tasks included the nurturing of lawns and flower gardens that nestled against the hillside to the rear of the building.

As Daly City grew, so grew the library. In 1938, Mayor Paul Selmi turned over the first shovelful of dirt to note the start of construction by contractor H. H. Smith of an addition that would increase the facility three-fold.

The addition was placed directly in front of the original building and the old 25-foot square library became the "Happy Children's Room."

The small suggestions of a garden fronting the Mission street institution today is a far cry from the flower beds and lawns of yesteryear, however offshoots of the floral pioneers may still be viewed behind the current building.

Like River City's librarian, Daly City's custodian of Rabelais, Pooh and Balzac from 1922 until 1947 was a lady with individual charm and character. She was Mrs. Jean O'Rourk and we remember her as an attractive and smiling white-haired lady who chided youngsters with dirty paws and bestowed paper bookmarks upon "good readers." Her memory was remarkable and she seemed to have little use for the membership cards deemed necessary today. She knew her borrowers by name AND the books they took home.

After Mrs. O'Rourk retired from the Daly City library, she continued to serve her beloved North County as the librarian for the San Mateo County branch library at the Community Center on Dunkirk street in Colma.

In 1950, Daly City withdrew from the San Mateo County library system. However, some 7,000 county books may still be found on local shelves, evidence of the kindly parent-child relationship that continues to exist.

In the Mission street and Southgate avenue locations rest some 37,000 volumes with shelf caacity for 18,000 more.

Sam Chandler, the current Daly City librarian, may not be as pretty as his feminine predecessors, but we're sure his enthusiasm for the provision of good library services and his encouragement of better reading practices by the public equals theirs and then some.

The ghosts of the Daly City pioneers who instigated Daly City library service would be pleased to know that the cause they advanced is still flourishing, assisted by Chandler and his staff: Mrs. Andrew Hanselman, chairman of the Daly City Library Commission, and her several co-workers; and the Friends of the Daly City Library, the organizations which tonight is sponsoring an evening book review in observance of National Library Week.

The affair will be held in the Coral Room of the Westlake branch of the Daly City library, 275 Southgate avenue, at 8 p. m.

The topic, "America—Here and Now, as Painted by Our Press" will be discussed by Homer C. Chandler, Millbrae

ORT Group To Show Flim

"Come With Me My Brother," a film depicting the work done by the ORT (Organization For Rehabilitation Through Training) schools in France, will be shown at the next meeting of the Central Peninsula Chapter, Women's American ORT, on Thursday, April 26, 8 p.m. in the home of Dr. and Mrs. Emanuel Friedman, 2100 Ray Dr., Burlingame. The film, a most timely one, deals with the plight of the Algerian Jewish refugees in France.

In addition to the film, Membership Chairman Mrs. Barry Rosekind has planned a surprise refreshment hour honoring all new and prospective members.

For further information call Mrs. Rosekind, JU 9-3939 or Mrs. Bernard Davis, PL 6-1898.

Women's American ORT is part of the World ORT Union, the vocational training agency of the Jewish people. It is the largest private vocational training agency in the world, operating over 400 schools in twenty countries on five continents including Israel and India.

Epiphany Guild Plans Luncheon

A chicken luncheon with games has been planned by the Epiphany Guild for Thursday, May 2, 12 noon at the School Cafeteria, 600 Italy Street. Mrs. John McLaughlin, chairman, will be assisted by the following committee: Mrs. Francis Dermody, Mrs. John DeGregorio, Mrs. Angelo Borelli, Mrs. Frank Crespo, Mrs. John Bottarini, and Mrs. Alfred Grossman.

All members of the Guild, their relatives and friends are urged to make reservations (which are $1.50 each) by contacting Mrs. DeGregorio, JU 6-1731 or Mrs. Dermody, JU 7-1421. Proceeds from this affair will be used for a high school scholarship fund.

City Of Hope Dance April 28

On Sunday evening, April 28, starting at 6 p.m., The Singleton Chapter of The City of Hope will hold a dinner dance at The 7 Hills, 26 California St. near Market, to raise money for The City of Hope.

The City of Hope is a non-sectarian, free hospital that treats diseases such as Leukemia, Tuberculosis, Cancer, Heart, and is also a medical research center to find cures for these dread diseases.

Auxiliaries such as ours raise most of the funds to support this hospital.

The donation of $2.75 per person may be made at the door on the night of the affair. Music will be furnished through the courtesy of the Musicians Union Local 6 through their public trust fund AFL-CIO.

MOAF Fashion Luncheon Set

"April in Paris" is the theme for the fashion show luncheon by The Mothers of All Faiths on Saturday, April 27. The show will be held in the Friar Room of the Serra Bowl. The donation is $3.50 from 12:30 to 3:30 p. m.

The Fashion of Westlake will furnish models with the latest spring styles.

There will be door prizes and a raffle. First prize of the raffle will be a Norwegian blue fox shrug. All other prizes have been donated by merchants in the surrounding area.

Raffle tickets will be available at the fashion show. Donation is 50 cents each, or three for one dollar.

All proceeds from the event will go to charitable organizations.

SSF Women Fashion Show

"Passport to Fashions" is the title of the fashion show to be given by the South San Francisco Woman's Club on Saturday, May 4.

Mrs. George Jensen is the general chairman. Her committee includes Mrs. Maurice Wendt, models; Mrs. Walter Yasinitsky, hostesses; Mrs. Harold Hendrickson, door prizes; Mrs. Finley Acker, reservations. All have been busy making preparations for the show.

The luncheon fashion show will be held at the New Southern Restaurant at 12 noon.

Mrs. Fred Daly will commentate on her selection of clothes from The Fashion of Westlake.

Beau Monde Salon in Brentwood will do the models' coiffures.

The public is invited. For ticket information and reservations, contact Mrs. Finley Acker, 448 Yellowstone.

Story Hour Plans

Plans are being made to continue the picture book story hour at the Westlake Library this summer as in the past. New this summer will be a similar morning at the John D. Daly Library on Mission Street, after a lapse of several years. Details will be announced later.

Rainbow Auxiliary Plans Buffet Supper

Like a magic carpet the San Francisco Rainbow Auxiliary 2065, VFW, will whisk you away to far away places, wonderful lands from which you'll return laden with unusual delights in food and novelties when they sponsor their International Buffet Supper on Saturday, May 18, in Room 1 of the War Memorial Building, Van Ness at McAllister streets.

Guests may enjoy the array of food from many lands as they pass the buffet table featuring India curry and rice, Irish stew, French bread and butter, Italian garlic bread, South Seas salad, Mexican chili beans, Italian spaghetti and meat balls, Jananese shrimp tempura and ice cream with Danish cookies.

Decorations will represent each country, tulips and wooden shoes for Holland, coolie hats and fans from China and Japan; wine bottles with candles and checkered cloths from Italy; stuffed elephants for India; gourds and cactus set in flowers and scarfs for Mexico and Spain; cowboys and Indians for United States; palm trees, fish nets and pineapples for the South Seas; plus many other tables.

Festivities start at 6 p.m. and will continue on till 11 p.m. with raffle and door prizes, the bar will be open, and dancing. Make your reservations early as this event will be one long to remember. Adults $2, children under twelve, $1.25. Telephone Mrs. I. J. Svedise at PL 6-1977 afternoons or Mrs. Mack Hall at HE 1-4168 evenings.

City of Hope Trip to Tahoe

The Golden Gate chapter of the City of Hope is sponsoring a trip to the North Shore Crystal Bay, Tahoe, the weekend of May 4-5.

The trip includes round trip transportation by chartered bus, with two convenient pick-ups, refreshments, de luxe accommodations, dinner Saturday evening, de luxe breakfast Sunday morning, cocktails and free entertainment.

Reservations must be in no later than April 29. Contact Ruth Robinson, PL 6-8377 or PL 6-1669, or Bess Plotnik, PL 5-5575.

Holy Angels Bake Sale May 5

COLMA—Mrs. Frank Murphy, food sale chairman of Holy Angels parish Women's Guild announces May 5 bake sale in Holy Angels parish hall from 9 a.m. to 2 p.m., is re-named "Calorie Sale."

Special Wardrobe Program for Y-Wives

To individualize your dress the Y-Wives of Westlake will have La Vina Scott present a program demonstrating "How to Cover Shoes to Match your Costume." Mrs. Scott said, "In an hour anyone should be able to learn to cover their own shoes."

Under the adult education program, Mrs. Scott teaches costume designing, clothing construction and millinery at Daly City's Westmoor High School. She received her California's teaching credentials two years ago by attending evening classes at San Mateo College. She went to the Vanderbilt University in Tennessee and graduated from the University of Minnesota.

Prior to her marriage she wrote for radio station WSM in Nashville, Tennessee. She studied dramatics and was on several hour radio shows.

La Vina has done a great deal of volunteer civic and philanthropic work. She also has experience as a fashion coordinator. She presently belongs to the Junior League and belonged to the Crystal Springs Junior Women's Club.

Mrs. Scott is the wife of Federal Attorney James Scott. They are former Mid-Westerners. Mrs. Scott is from Minneapolis, Minnesota and Mr. Scott is from Nebraska. They have lived in the Bay Area for sixteen years and now reside in San Bruno with their three children. Their eldest daughter is La Vina (which is a traditional family name for an oldest daughter) who attends San Jose State, majoring in Home Ecomonims. Their other two children are Diana, eleven, who is in the fifth grade and Jamie, Jr. nine in the third grade.

The women in the community are welcome to attend the above program which will be held on April 29 at the Westlake Bowl's Banquet Room from 9:30 to 11 a.m. Nursery service, coffee and tea and for facilities used there is a fifty cent fee.

Between Us Gals

(Continued from Page 1)

city administrator; Mrs. Dan Dawson, principal of Fernando Rivera School, and Robert Muller, Jefferson Elementary School District instructional materials consultant.

O. Wayne Douglas, JESD trustee, will serve as moderator for the panelists.

Now in its sixth year, National Library Week is sponsored by the National Book Committee, Inc., a non-profit educational group, in co-operation with the American Library Association. Sixty-one national organizations—service, educational, professional, and religious — participate in the program.

The theme for the national observance is "Reading — the Fifth Freedom, Enjoy It!" It serves as the keynote for thousands of activities and projects currently going on to focus attention on the value of reading and to stimulate the wider use of, and support for, libraries of all kinds.

Bookworms and bibliophiles are urged to do just that.

YWCA Plans Family Night "Showcase"

Plans are under way for a family night "show-case," presenting a "Youngster's World of Creative Activities," by the YWCA children's classes. Open to the public, this program will be held on Friday, May 17, at 7:30 p.m. in the War Memorial building. It will demonstrate for parents and friends the achievements these children have made under instruction in YWCA classes.

The three sections of the creative group play classes will sing a few songs and give examples of some of their skills. The ballet, baton and hula classes will also perform.

Following the program there will be a display of art work from the children's art class, and examples of crafts, etc. from the creative group play children.

Joining in the show-case display will be a feature table showing the hobbies, crafts and interests of the Senior Citizens of Daly City.

Hostesses for a "Youngster's World of Creative Activities" will be young ladies from the Y-Teen club. The Y-Teens will also sell simple refreshments as a fund raiser for their club.

LSEA Meeting Scheduled May 7

The Laguna Salada Education Committee will hold its next general meeting May 7 at the new Ortega School.

The meeting will begin at 4 p.m. Roy F. Nilsson of the Bureau of Old Age and Survivors Insurance, Social Security Administration, will be the guest speaker.

Nilsson will discuss current coverage of the O.A.S.I. benefits as it affects educators.

The meeting is open to the public.

Francis Smith To Be Honored

The many friends and coworkers of Frances Smith, 2249 - 28th Avenue, will honor her at a luncheon to be given at 12:30 p.m., Wednesday, May 8, at the Lakeside Country Club. Reservations may be obtained from Mrs. John Cresalia, 77 Oakmont, Daly City; PL 5-8153. Cost of the luncheon and gift will be $4.50.

Member of a well-known San Francisco family, Mrs. Smith has long been devoted to causes furthering the welfare of Daly City. Together with her husband, Sergeant Dennis Smith of the San Francisco Police Department, she figures prominently in a number of civic and social groups in the Bay Area.

During the past year, Mrs. Smith has devoted her energies to Mercy High School, Nineteenth Avenue, San Francisco, where her daughter Rita Anne is a student. As president of the mothers' Guild at Mercy High, Mrs. Smith brought color and zest to the program. The luncheon is being sponsored by her friends at Mercy in recognition of her generous spirit and unflagging efforts in their social and financial projects. A cordial invitation is extended to all who wish to participate in the testimonial to make reservations by May 3.

Hope Lutheran Ladies Plan Spring Luncheon

The Ladies Guild of Hope Lutheran Chruch will hold its annual spring luncheon at the church at 55 San Fernando Way, Daly City, on April 26, Guild President Mrs. Louis Bizjak has announced.

Theme for this year's luncheon will be the Mardi Gras. Much time and effort have been expended by the decorations committee under the direction of Mrs. Al Wilson in designing and making unusual and distinctive decorations in keeping with the Mardi Gras theme.

Other chairmen for the luncheon are: Mrs. William Maches, program; Mrs. Al Richter, refreshments; Mrs. Dale Williams, publicity.

The luncheon program will begin at 11:30 a.m. Following the luncheon, Mrs. Ray Little will act as chairman of a bake sale being held by the Guild.

FLIRTING FLAPPERS will be among the models at the Fashion Show and Silver Tea to be hostessed by the Women's Association of the Broadmoor Presbyterian Church on Thursday, May 2. The 2 to 4 p.m. affair is open to the public and the fashion showing will feature some of the fabulous collections of vintage clothing belonging to Mrs. T. L. Leach of San Mateo. Shown above are models Lillian Del Carlo and Barbara Aron wearing gowns of the dimpled-knee era. Chairman for the gala is Mrs. H. C. Suenderman of Colma. Photo by Don Aron.

Engagement Is Announced

Mr. and Mrs. Herbert L. Dare of Monterey road in Pacifica have announced the engagement of their daughter, Joyce Virginia, to C. Richard Frederick, son of Mr. and Mrs. Harold D. Caldwell of San Francisco.

Miss Dare is a graduate of Westmoor High School, class of 1960. Her fiance was graduated from Little Rock School in Tennessee. He attended William and Mary College in Virginia for a year and now is completing his science degree at San Francisco State College.

The wedding will take place June 15 at St. Martin's Episcopal Church in Westlake.

Democratic Club Sets Party Date

The Daly City-Colma Democratic club will hold its annual Smorgasbord party at the Broadmoor Community Center, 714 White St. in Colma, this year. The festivities will begin at 2 p.m. on Sunday, May 26. There will be entertainment.

Tickets for the Smorgasbord may be obtained by calling either Vincent Couchi at PL 5-0309, or Edward Solomon at PL 6-9511. The latter number may be reached only after 6 p.m.

ORT Meeting

A Saturday supper social is being planned by the Northern Peninsula chapter of Women's American ORT (Orgnization for Rehabilitation Through Training) for Saturday evening, May 4.

"MEMOS" FROM YOUR Stylist

By: MR. ROBERT

One of woman's most effective means of slowing the inroads of inevitable facial lines is massage with a recommended cream. Massage stimulates and tones the underskin which controls the beauty and vitality of the outer skin. The circulation, stimulation and nourishment of the underskin are largely dependent on massage. As with any other area of the body, the face demands exercise and this can be gained from massage.

However, ladies, your demands for capable attention to your hair should lead you to MR. ROBERT'S SALON OF BEAUTY. High fashion, charm, sophistication, winsome appeal -whatever your desire — you will find it through our talented stylists at MR. ROBERT'S SALON OF BEAUTY, 198 School Street. Doug Dunlop Wins Honor As Entertainer

Doug Dunlop, a senior at South San Francisco High School, recently received two honors as an entertainer. The first is a dancing part in the Lewis and Young production of "Bye Bye Birdie," now appearing at the Sheraton Palace Garden Court. The second is the opportunity to tour the Far East this summer with the U.S.O.

Doug will tour Japan, Hawaii, Korea and Alaska this summer as a member of a U.S.O. variety show. He did similar work last summer when he toured the United States with the same group.

Doug started his entertainment career at the age of three, modeling boys' clothes for Roos Brothers. His picture was then seen on highway billboards throughout the nation advertising such products as Langendorf bread and Standard Oil. He also appeared on several local television commercials and in a non-televised scene in "Pal Joey."

Doug was taught dancing by the same instructor who taught the Hollywood star Donald O'Connor. Today Doug studies at the Les Williams dance studio in San Mateo.

In addition to his entertainment career he has been active in evtracurricular activities having participated on the water polo and swimming teams. He has also taken part in the high school congress.

After graduating at South San Francisco High School, Doug plans to attend Foothill College, where he will major in drama and fine arts.

He is the son of Mr. and Mrs. L. E. Dunlop of 212 Camaritas avenue, South San Francisco.

THE HOSTESS WITH THE MOSTESS receives an invitation from another hostess, Mrs. Murray Freedman extends to Perle Meste of Washington, DC, an invitation to the Champagne preview of the 2nd annual Furniture Fashion Exposition which will be held Friday evening, May 10 from 6:30 to 9 p.m. at Brooks Hall in the Civic Center. The ladies looking on are, from left to right, Mrs. Charles T. Carmen of Hillsborough, Mrs. Raymond Perkins of Marin and Mrs. John M. Connolly.

Terra Nova Seniors Win Scholarships

Three lucky Seniors recently received word that they had won scholarships from the State Scholarship Commission. They are Barbara Sims, Karen Post, and Clayton Derochie.

Another lucky three among the Seniors are also walking a little taller these days. Marsha Zwiep won a $50 award in the Bank of America zone finals, and Ken Kirkland and Jorgen Vindum each won a trophy. Marsha won her prize in the field of Vocational Arts and Ken and Jorgen won theirs in Liberal Arts, and Math and Science respectively.

Ken Kirkland was notified over Easter vacation that he has been offered the participating scholarship at Stanford.

He qualified on his S.A.T. scores, application forms, and "everything" through his four years of high school.

Four Seniors Win Scholarships At Westmoor

Four outstanding Westmoor seniors have been named as recipients of California state scholarships. The fortunate four are Ann Irby, David Levine, Mary Stutsman and Marilyn Wagner.

Not only does Ann carry an "A" average, but she is an active member of a number of Westmoor organizations. She is president of the French Club, secretary of the Junior Statesmen and co-editor-in-chief of the yearbook. Ann is planning to attend Pomona College, where she will major in international relations.

Studying mathematics at UCLA is the plan of Dave Levine. Dave is preparing for this with courses in solid geometry and physics. He does not, however, limit his interests to one field, as he is a member of the French Club.

University of California in Berkeley, where he hopes to study chemical engineering, is the destination of Mark Stutsman. He is also taking physics and solid geometry and pursues his interest in science through the Science Club.

With drama as her future field of study, Marilynn will attend UCLA. Besides carrying an "A" average, Marilyn, a past head sergeant-at-arms, heals the Westmoor Press Bureau, and is presently helping to form a drama club at Westmoor. Marilynn has also received a $400 award from the UCLA Alumni Association.

Warrior Dance Band Plays at SFS Festival

The "Blue Knights," South San Francisco High School's stage-dance band will play at San Francisco State College April 28 as part of the current art festival.

The band was invited by Mr. John Handy III, director of the San Francisco State dance band. Mr. Handy was one of the judges at the Riordan High School Dance Band Festival when the "Blue Knights" took the first place honors.

The "Knights," under the direction of Mr. Warren Heckman, have, in recent months, placed in the top three at the University of Nevada's Stage Band Festival and first place at the Riordan Tournament. They have played for the SSFHS art festival and supplied the orchestral background for the high school's presentation of the Berstein musical "Wonderful Town."

Friday, April 26, they will present a concert in the South San Francisco High School auditorium at 8 p.m.

Science Scholarship For Denise Jamin

Westmoor junior Denise Jamin will have the honor of attending a summer session at the Davis campus of the University of California on a scholarship provided by the National Science Foundation.

Denise, who has shown an avid interest in the field of science and wishes to explore it more extensively, will study comparative biology during the six-week course which will begin June 23 and continue through August 2.

Participating in lab work, listening to lectures, and doing individual scientific research are included in the planned activities.

Versatile and talented, Denise has so far maintained an A-average in her classes which follow the university course. Participating in extra-curricular activities as well, she was a Westmoor drum majorette last year and presently is a member of the California Scholarship Federation, the American Field Service, and Junior Statesmen.

SCIENCE SCHOLAR—Westmoor High School junior Denise Jamin, summer session scholarship winner in biology.

SUE SCOTT MODELS—Mrs. Deniel J. (Lynette) Erlach, chairman (left), and Mrs. Peg Miller are models for the May 2 fashion-luncheon given by Sue Scott at the Westlake Bowl. The show, "Blossoms Into Summer," will be held from 1 to 3 p.m. Nursery service is provided. Sponsor is the YWCA.

Tutor Service For El Camino

The El Camino High School chapter of Future Teachers of America, at the request of the Student Council, is organizing a tutoring service for students who need extra help with their school subjects.

The tutors are all members of Future Teachers of America. All have at least a "B" average, the approval of the chapter sponsor and the approval of a teacher in the subject area in which they will degree of need. Tutors are then selected from the approved list of Future Teachers and individual arrangements are made for lessons.

The chapter sponsor, Miss Kay Kelley, and Arlyne Graney, chapter president, envision the tutoring plan as a teachers, according to their tutor.

Prospective students to be tutored are selected by their two-way program, benefitting those students who need extra teaching and at the same time giving the tutors an excellent opportunity to gain experience in communicating ideas and thoughts to others.

Promotions at Wells Fargo Office

Claire S. McKnight, wife of John J. McKnight, 317 Northaven drive, and Armando L. Bonvicino, 33, 27 Bel Mar avenue, have been promoted to assistant secretaries in the trust division at Wells Fargo Bank's San Francisco headquarters.

Teen Club Formed at Colma Upper School

The YWCA is expanding a program with the teenagers of the North San Mateo County district. Under this branch, the most recently formed Y-teen club is at upper Colma.

The group meets at the Jr. High School on the first and third Mondays of each month. Advisor for the group is Pat Martinez, director of the North County Y. Sue La Cour, who is a member of the Jefferson High Y-teens, acts as assistant advisor.

The girls have decided to call their club IFCAs, which is Czechoslovakian for YWCA. The group took the name from a song "Above the Plains," which was sung at the first YWCA summer camp held in Central Europe.

The executive committee of the newly formed group includes: President, Sandy Diaz; vice president, Genie Vinje; secretary-treasurer, Marilyn Tingley; sergeant at arms, Bertie Ellis; and representative, Vesta Lee.

Included in the group's agenda are discussions and demonstrations on such topics as hair styling, employment opportunities for teenagers, crafts, and social dancing.

The group's social schedule lists a bowling party, a slumber party and a beach party. Some of these activities will be held in conjunction with the Ben Franklin and Millbrae Y-teen groups.

El Camino Student Accepted at ASU

Arlyne Graney, a junior at El Camino High School in South San Francisco, has been accepted for the Summer Science Institute at Arizona State University. During the eight-week session, she will participate in research in chemistry and attend lectures in chemistry and psychology.

Since entering high school, Arlyne has maintained an "A" average and has participated in many school activities.

Arlyne is the daughter of Mr. and Mrs. Edward Graney, 34 San Filipe avenue, South San Francisco.

OLPH Teen Club Holds Fashion Show

The OLPH Teen Club will present its fashion show, entitled "Guys and Dolls" on May 18 at 1:30 in the school hall. Mrs. Isabel Liberti will be commentator of the show.

TUROFF CLINICS

QUESTION: IS BALDNESS INHERITED?
ANSWER: Definitely NOT. WE MAY INHERIT A TENDENCY to baldness, not baldness itself.
QUESTION: What causes baldness?
ANSWER: Many things, among them excessive dandruff, poor circulation, neglect. It takes a professional to determine the factors in each individual case.
QUESTION: What can be done about baldness?
ANSWER: No matter WHAT stage of baldness you have reached, your hair can be regrown with proper treatment, if the roots are alive.

FIRST REMARKABLE TREATMENT Next 6 Days To New Clients

What ARE the Danger Signals
These are definite warnings, and everyone can recognize them. DANDRUFF means there are bacteria at work. If they are not removed, they choke off the hair roots, a bald spot soon appears, and baldness spreads until you are completely bald. The same is true of EXCESS FALLING HAIR and ITCHY SCALP. In fact, anything but a healthy, good-looking head of hair means something is wrong and you MAY BE ON THE WAY TO BALDNESS. The longer one waits, the more advanced the condition.

AMAZING NEW METHOD MUST BE EXPERIENCED to be APPRECIATED
$2 is the complete charge for your first remarkable TUROFF treatment during this SPECIAL CLINIC, for the next 6 days. If YOUR hair is thinning, over dry, or over oily—if you are troubled with dandruff, increasing hair loss, come in and see us during this special clinic for the next 6 days.
If the FREE examination shows we can help you, your very first TUROFF treatment will cost you just $2.00. Our guarantee: YOU MUST BE SATISFIED WITH THE WONDERFUL RESULTS IN JUST 4 TUROFF TREATMENTS OR YOUR MONEY BACK. Find out why thousands of happy Californians have made us California's biggest, with many busy offices.

CHURCH NEWS

Russia Missionary Is Church Speaker

Rev. Paul Demetrus, Assemblies of God missionary, will be the featured speaker at the special missionary service on April 28, at the Bethel Church of Pacifica, Adobe Drive and Higgins Way, Linda Mar District, Pacifica.

Rev. Demetrus, missionary to Russia, has recently returned from Europe where he visited 20 countries including a number behind the Iron Curtain. He will be bringing a first hand report of conditions there. The highlight of the service will be an outstanding film entitled "Communism in Action!" "Life Behind the Iron Curtain."

The film is a professionally prepared, fully documented motion picture, with a powerful, 28 minute message of vital importance to every American. Graphic and factual studies reveal living conditions within the Communist empire around the world.

The film portrays the 10,515 mile border of iron which stretches from the Arctic Ocean in a continuous unbroken line to the Sea of Japan, dividing a free people and the slave world of Comumnism.

"Communism in Action" is a dramatic production of authentic motion pictures showing the Red intrigue and deception within nation after nation.

This brutal treatment of freedom-loving people under Comumnism is depicted in Poland, Hungary, Lithuania, Estonia, Tibet, China, Korea, Manchuria and now Cuba. The film concludes with an eloquent appeal for Americans everywhere to use the lessons of history to preserve our American heritage.

The Rev. E. J. Banning, pastor of Bethel extends a cordial invitation to the public to attend this service which will begin at 7 p.m., Sunday, April 28.

Westlake Baptist Plans Youth Banquet Thursday

A "Youth Banquet" will be held Thursday, April 25, at 6:15 p.m. at Westlake Community Batist Church to raise funds to send children to the Redwood Glen Baptist Camp at La Honda this summer.

Dinner is $1.75 for adults and $1 for children. Mrs. Glenn Gibson is in charge of arrangements for this banquet and all donations of money and food should be made to her.

Pastor Hansel Stembridge urges full support of this affair in order that sufficient funds will be on hand for this valuable youth work. It is difficult for young people to get a balanced perspective of life when there are so many modern diversions and Dr. Stembridge has stated that "more real religious teaching is accomplished in this one week than it is able to impart to a child during a whole year of Sunday School attendance — many decisions are made here for Christian living and serving!"

Young people attending the camp situated among the coastal redwoods on the banks of Pescadero Creek are under the supervision and leadership of outstanding Ministers and sponsors and congregate from all the various Baptist Churches in this area.

They are lodged in rustic cabins for a week and are assigned encampment dates according to the age groups which range from Juniors (fourth grade) through High School. A daily program consists of Spiritual, Recreational and Art Work and a new 110,000 gallon swimming pool will be in operation this year. Mrs. Glenn Gibson will be in charge of the groups attending from the Westlake Community Baptist Church and the camping schedule is as follows:

Fellowship Builders, June 15-22; Jr. High Frontier Camp, June 15-22; Junior Camp I, June 22-29; Jr. High Adventure Camp I, June 29-July 6; Sr. High-Older Youth BYF Officers Conf., July 6-13; Junior Camp II, July 13-20; Jr. High Adventure Camp II, July 27-Aug. 3; Junior Camp III, Aug. 3-10; Jr. High Adventure Camp III, Aug. 10-17; Sr. High Camp I, Aug. 17-24; Sr. High Camp II, Aug. 24-31; Older Youth Retreat, August 31-Sept. 2.

Westlake Baptist

Missionary Society Installation In June

The Women's Missionary Society of the Westlake Community Baptist Church met Tuesday evening at 8 p.m. at the home of Mrs. E. W. Saunders, 773 Stewart Ave., Daly City.

The new officers of the association who will be installed in June are as follows: Mrs. J. McPherson, president; Mrs. Rodney Schaubroeck, 1st vice president and chairman of the Evening Circle; Mrs. Lynn Hodges, vice president in charge of Missions; Mrs. Etta Luallin, vice president in charge of Christian Service; Mrs. John Hergert, vice president in charge of Christian Training; Barbara Taylor, treasurer; Mrs. J. Bernard, secretary; and Mrs. E. M. Saunders, publicity chairman.

For the benefit of new members and prospective members, Mrs. McPherson enumerated some of the activities of the tremendous program this group continues year after year such as:

Filling requisitions received from the State of California Christian Service Chairman for the Phillipine Leper Colony. Old sheets are gathered and made into various width bandage rolls to be used as dressings by the lepers;

Filling requisitions for the Hospital at Iola and the Belgian Congo consisting of making layettes, bed pads, etc.;

Sending men's gifts to the Scandinavian Seamen's Mission and the Half-Way House. The latter is a temporary home for released prisoners who are seeking reestablishment in society;

The first Thursday of each month the women go to Pilgrom Haven, a Baptist Retirement Home at Los Altos, to visit and help the aged residents. They are the only group which makes regular visits to these residents;

They participate in "Homes Open Please" which accepts Northern California Indian Children into their homes for visits of two weeks or more and also provides clothing and shoes so that they may make these visits;

They help Church World Service by sending used clothing, bandages and health kits used for needy migratory workers;

A scholarship fund is maintained which is currently being used by a Phillipine student for his Seminary education and living expenses;

And they send items of good clothing to the Berkeley Thrift Shop where it is made available to Seminary Students and their families for a very small charge.

The Misisonary Society meets on the third Tuesday of each month in two groups. One in the morning and one in the evening so that a convenient time is available for working women and housewives. Each member draws a Prayer Pal whose identity is revealed at the end of the year. Also, special programs are arranged four times during the year featuring guest speakers or musicals of particular interest. Anyone wishing to join the society is welcome.

Temple Judea Sabbath Rites

Temple Judea will hold its regular Sabbath Evening Services this coming Friday, April 26 at 8:30 at the Temple, 95 South Mayfair Avenue.

Rabbi Herbert Morris and Cantor Harold Wachter will officiate.

Hostesses for the Oneg Shabbat (social) following this Service will be Mmes. Norma H. Levin, Louis Minkin, and David Skootsky.

Hold Luncheon - May 15

Temple Judea Sisterhood will hold its 8th Annual Donor Luncheon and Fashion Show at the Jack Tar Hotel on Wednesday, May 15—luncheon to be served at 11:45 a.m.

Donor Books are $12.50, according to Mrs. Clifford Glicksman, and may be obtained by calling her at PL 6-3266.

Deadline for Luncheon Reservations is Friday, May 10. Those desiring reservations are urged to contact Mrs. Stanley Pollard at PL 5-6502, as no money will be accepted at the door and advance reservations are required.

VISIT TO AGED — The first Thursday of each month, women of the Missionary Society of the Westlake Community Baptist Church go to Pilgrim Haven, a Baptist retirement home at Los Altos, to visit and help the aged residents. From left are Eleanor Spitzer, Billie McPherson and Mrs. Hergert.

Christian College Topic At Westlake Lutheran

"Loving God With Our Mind," will be the subject of Pastor Kenneth Hansen's sermon April 28, which is National Christian College Sunday. Emphasis will be placed on education in the church, pointing out that the American Lutheran Church supports eleven universities and senior colleges and three junior colleges which enroll about 14,000 students.

The Couples Club will have their monthly meeting April 23, at the Church. Mr. and Mrs. Richard Taylor and Mr. and Mrs. Lester Laingen will be hosts and hostesses for the evening. A film, "A Date With Revolution," will be shown.

This is a half hour documentary film interpreting from a Christian point of view some of the turbulent transitions in Africa and how the Lutheran Churches are helping and what Lutheran World Action is doing in the use of schools, hospitals and churches, and how it is helping in the translation of the Bible, and in the presentation and preparation of materials for the Africans and in the support of teachers and medical workers.

Christian Science Lecture In Pacifica

Meeting Today's needs through prayer will be the topic of a free public lecture on Christian Science to be given in Pacifica on Saturday, April 27, by Paul K. Wavro of Jacksonville, Florida.

Mr. Wavro will speak in the Oceana High School, 401 Paloma avenue, Pacifica, at 2:30 p.m. under the auspices of First Church of Christ, Scientist, Pacifica. His subject will be "Christian Science: Religion that Meets the Human Need."

A member of The Christian Science Board of Lectureship, he is well-known to lecture audiences throughout the United States and Canada. He is a native of Cleveland, Ohio. He withdrew from business in 1942 to enter the public practice of Christian Science healing. During World War II he served as a Christian Science Wartime Minister. He has been an authorized teacher of Christian Science since 1949.

Actively interested in youth work, he was awarded the DeMolay Legion of Honor by the International Supreme Council Order of DeMolay.

Christian Science Lecture in SSF

Meeting today's needs through prayer will be the topic of a free public lecture on Christian Science, to be given in South San Francisco on Monday, April 29, by Paul K. Wavro of Jacksonville, Fla.

Mr. Wavro will speak in the South San Francisco High School auditorium at 8 p. m. under the auspices of First Church of Christ, Scientist, South San Francisco. His subject will be "Religion That Meets the Human Need."

A member of the Christian Science board of lectureship, he is well known to lecture audiences throughout the United States and Canada. He is a native of Cleveland, Ohio, and withdrew from business in 1942 to enter the public practice of Christian Science healing. During World War II he served as a Christian Science wartime minister. He has been an authorized teacher of Christian Science since 1949.

Actively interested in youth work, Wavro was awarded the DeMolay Legion of Honor by the International Supreme Council Order of DeMolay.

WHAT IS CHRISTIAN SCIENCE?

MANY who are not Christian Scientists feel that this religion is making a vital contribution to the moral and spiritual well-being of the nation. Do you know why?

You are invited to come to a free, public lecture and learn for yourself what Christian Science is and how it can help you gain freedom from sin, sickness, and limitation.

First Church of Christ, Scientist, South San Francisco, invites you to this lecture entitled:

"CHRISTIAN SCIENCE: RELIGION THAT MEETS THE HUMAN NEED"

by PAUL K WAVRO, C. S. B.
of Jacksonville, Florida

8 p. m., MONDAY, APRIL 29
at South San Francisco High School Auditorium, 400 B St., off Orange Avenue, from El Camino Real

ALL ARE WELCOME

Christian Science lectures are for the public. They are free. No collections are taken. No obligation of any kind is involved by attending. Lectures last one hour and are delivered by members of The Christian Science Board of Lectureship of The Mother Church, The First Church of Christ, Scientist, in Boston, Mass.

Pastors Discuss "Human Problem"

The question, "What is the human problem, and how can it be resolved?" will be the point of discussion between the pastors and a pre-ministerial student at Temple Baptist Church, 3355 - 19th Avenue this coming Sunday night at 7:30.

An enjoyable and profitable discussion was held regarding basic human needs last Sunday, and will continue to examine the human situation and speak on its overcoming. The Rev. Magnus G. Berglund, Senior Minister, the Rev. Wm. C. Rogers, Minister of Christian Education, and Mr. Bill Bowman, college senior and pre-ministerial student will lead the discussion.

The leaders will pick up concerns expressed last week in reference to finding hope in trying experiences, and will speak on issues raised by Dr. Paul Tillich in recent lectures in Berkeley and elsewhere. Can human need be met? How may we meet the challenge which life has for us? You are cordially invited to hear this discussion at the Church, near Stonestown, and to participate in them this coming Sunday evening.

Delegates To Attend Annual Baptist Convo

Three delegates appointed by the Westside Baptist Church and the pastor, A. David Donnelly, will be in attendance at the Northern California Baptist Conference Annual Meeting at the Turlock Calvary Baptist Church, Thursday through Saturday, April 25 to 27.

Rev. Lloyd Nordstrom, host pastor, is also serving as moderator of the conference. Delegates from the twenty-three churches of the Northern California Baptist Conference will be present for these meetings.

The theme of the convention this year is "Hear Ye Him." Rev. Glenn Anderson, pastor of the Willow Glen Baptist Church of San Jose, and a new minister to the Northern California fellowship, will be the speaker at the Fellowship dinner for all ministers on Thursday evening, April 25.

The Pastor of Westside Baptist Church, A. David Donnelly, will bring the message to the Conference delegates on Friday morning, speaking on the topic, "I Am the Way." The closing session of the Convention will be the banquet, at which time, Rev. Elliot Paulsen, pastor of the Fairway Park Baptist Church, Hayward, California, will be the speaker.

Wednesday afternoon and evening, the pastor will be in attendance at the Camp Directors meeting, and the Christian Education Committee of the Conference. These meetings will be held at the host church in Turlock.

The mid-week prayer and Bible study hour meets Wednesday evening, April 24, at the home of Mr. and Mrs. Doyle Young, 238 Vallejo, El Granada, California.

Operation "Higher Goal," the Sunday Church School program, initiated last Sunday, in the Conference Baptist Churches across the country, is in full swing at Westside Baptist Church. Mr. Alton Swedberg, the Sunday Church School Superintendent, urges all who have been somewhat sporadic in their attendance to be present each Sunday for the next six weeks, as the Sunday Church School seeks to reach out and interest and enlist new members in each of the ten classes of the Church School.

The Sunday Church School is a vital and integral part of the ministry of the Westside Baptist Church, as it is a known and proven fact that 85 per cent of the average churches receive their members from the Sunday Church School.

At this service the pastor begins a Church Membership Class for adults and young people. The book written by Rev. Dahlquist, Executive Secretary of the Baptist Conference, "Concerning Church Membership," will be the text used.

"The Unique Christ" is the sermon topic chosen by A. David Donnelly, pastor, for his 11 a.m. Morning Worship Hour service. A special feature at this service will be the appearance of the Simpsonaires—Male Quartet from the Simpson Bible College in San Francisco.

The young men will present a brief period of music at the close of the Church School Hour, for the benefit of boys and girls who do not stay for the church service. Then at the morning service, the men will sing and give their testimonies. The quartet consists of Jack Teeter, Richard Cox, Harry Ecklund, Don Crawford, with Bruce Longstreth the accompanist.

During this morning service a nursery is provided for toddlers and babies. Then during the preaching portion of the service there is a Primary Church service for boys and girls, four years of age up through the third grade.

"Acts, Speak to You," is the subject for the Evening Gospel Hour message. The pastor is preaching a course of messages from the book of Acts. Special music will be provided for this service, along with a testimony time. Conference Youth Fellowship Hour, for three age groups, precedes the Evening Gospel Hour at 6:15 p.m.

The Sunday services of the Westside Baptist Church are held in the auditorium of the Southwood School, Southwood Drive and Hill Streets in South San Francisco. The church is affiliated with the Baptist General Conference.

Cherubs And Job's Daughters At B'moor

The tiny choristers of the Cherub Choir at Broadmoor Presbyterian Church will sing the anthem at the 9:30 a.m. worship service next Sunday, April 28.

Under the direction of Mrs. Jack Spratt, the 1st, 2nd, and 3rd graders, too small to be seen over the rail of the choir loft, will be grouped on the shallow stairs leading to the Comumnion Table.

Young ladies from Bethel 198, Order of Job's Daughters, will participate in the 11 a.m. service. Mr. and Mrs. Jerome Jacobsen are Bethel Guardians of the local group. The "Jobies" annually sing at Broadmoor Presbyterian, the home church of many of the girls.

At 6 p.m. the same day, the second in the Spring Mission series will be held, starting with a snack supper. Speakers for the evening will be Mr. and Mrs. Gordon Avison, formerly of Korea and Forfosa, now living in Santa Rosa. Showing Kodachrome slides of mission operations in the Far East, and commenting on their experiences as YMCA and Presbyterian Church workers, the Avisons' program starts at 6:30 p.m. in the church social hall. Bill Filkins is chairman of the 4-session series.

The Rev. Herbert C. Tweedie, minister of Broadmoor Presbyterian Church, will preach on the subject of "Life's Essential Need," with scriptural text taken from Luke 10.

High school and Junior High fellowship groups braved the Easter morning downpours to witness the Sunrise Services atop San Francisco's Mt. Davidson. Ten youngsters from the Junior High, and twenty from the Senior High attended the service, and returned to Daly City hospitality with breakfasts at the homes of Mrs. Jack Spratt and Mrs. Hazel Eagleton.

B'nai Israel Family Worship

Traditional family worship service will be held this Friday evening, April 26 at 8:30 at Congregation B'nai Israel, 67 Los Banos Ave., Daly City. Rabbi Solomon Shore's sermon for the evening will be "Faith in a Leader."

There will also be a special birhtday observance this Friday evening honoring the children of the Congregation who are celebrating their birthdays during the month of April. They are: Deborah Hollon, Jeffrey Klonoff, Jeffrey Klow, Terry Levinson, Vivian Salzer, Carolyn Snyder, Veronica Wellisch.

A birthday cake for Oneg Shabbath will be served after the services in the social hall of the Temple.

Mother's Day Dance

Congregation B'nai Israel Men's Club have put a lot of effort into their coming Mother's Day Dance to be held at Forest Lodge, 266 Laguna Honda Blvd., San Francisco, on Saturday night, May 11. Dancing will be from 9 to 1 to the music of Ray Clarfield's band. There will be Kosher Style refreshments served. Tickets are now on sale at $3.50 per person and may be obtained by contacting Mrs. Leo Kruger at PL 5-8862. There will be a few surprises so hurry up and buy your tickets to a promising evening of fun and enjoyment.

Rummage Sale

Congregation B'nai Israel Sisterhood rummage sale will be held on May 19 and 20 on Sutter and Steiner Streets. Plans for the sale are going very smoothly. Anyone wishing to have her discarded items picked up, please call either the chairman, Mrs. Dave Hoffman at WY 2-2821 or Mrs. Gary Kroner at PL 5-8926.

Important Notice

The Congregation B'nai Israel meeting has been changed from April 27 to the latter part of May. More details will appear in next week's publication.

SPEED IS GREAT KILLER

Excessive speed is still the greatest killer on our streets and highways, according to the National Automobile Club.

During 1961, traffis accidents blamed on excessive speed killed 10,260 persons and injured 946,600.

Schools Week Open House at Westmoor

The annual deluge of interested parents and friends will once again converge on Westmoor High School from April 25, at the Public Schools Week open house.

A PTA meeting will be held at 7:30 p. m. and classroom visitations from 7 to 9 o'clock with teachers in their rooms to meet parents and answer questions. C. S. F. members will be stationed at strategic locatiions in the halls to eliminate confusion.

Among the special exhibits prepared for the occasion is the lavish spread in the art department featuring samples of sculpture, prints and painting, pots, drawings and designs. Four students will be at work spinning the potter's wheels, while others will be shown working on play will be Selwyn Jones and Robert Nissen, art instructors.

In the social science department, Miss Hildegard Seidel has arranged bulletin boards featuring current events and Western Europe. Sample notebooks by students will also be available for perusal.

Future physicists studying under Stuart Mepham will be displaying their original physics projects. Among these will be a Dean Drive machine, created by Tom Ottoman and Ken Lehre, that can move itself without wheels by vibratory motion.

The journalism staff under the guidance of Mrs. Doris Lindfords, will present a step-by-step exhibit of the process of putting out the "Rampage." Visitors will be able to view the paper at each stage of production, from make-up to finished copy.

Westmoor's Campus Book Store, which has been a financial and cultural success in its first year of operation, will be open. The bookstore is located in Room 17A.

Oceana PTA to Focus On Public Schools

"Focus on Public Schools" will be the theme of the April 25 meeting of the Oceana High School in the multi-purpose room.

Oceana will have its open house between 7:15 and 8:45 p. m. The visiting parents are then invited to come to the PTA meeting to meet the new slate of officers.

Mrs. Carl McCarthy, the PTA president, will preside over the new slate of officers: Mrs. Frank Mirabelli, president; Mrs. James Buchanan, vice president; Ernest Ribera, honorary vice president; Mrs. Alfred Boreni, recording secretary, Mrs. Joel Schlotz, treasurer; R. Blevins, auditor, and Mrs. Rosamay Barela, historian.

St. Paul's Church Plans Full Week

The annual spring dinner meeting of the Peninsula Council of Churches will be held in St. Paul's Methodist Church, South San Francisco, on Friday, April 26, at 6 p.m. The Woman's Society of Christian Service, Mrs. Victor Landers, president, will serve the dinner.

The Senior MYF of St. Paul's Methodist Church, South San Francisco, will have a party in the social hall of the church on Saturday evening, April 27.

Mr. Wilfred A. McCoy, Jr., chairman of the every member visitation program of St. Paul's Methodist Church, South San Francisco will share the pulpit with Rev. Robert A. Lundy on Sunday, April 28, at 9:30 and 11 a.m. The sermon topic to be shared jointly is "This I Believe."

Job's Daughters Bethel No. 107 of San Francisco will attend services in a body at 11 a.m. on April 28.

An all-church potluck dinner at 6:30 p.m., April 28, will precede the Fourth Quarterly Conference of the church. Dr. D. Clifford Crummey, superintendent of the Golden Gate District, will preside at 7:30 p.m.

The Conference Historical Society will conduct its annual showcase tour of historical places pertaining to the Methodist Church on Tuesday, April 30. Rev. Robert A. Lundy, an officer of this organization, is chairman of this year's tour. Among points of interest to be covered are historical churches and church sites at Mariposa, Knight's Ferry, Coulterville, Cathay Valley, Merced, Madera, Academy, and Fresno.

Parent Education Session Set By Daniel Webster

At the April Daniel Webster PTA unit meeting, Mrs. Jerome Gayne, parent education chairman, announced a special parent education meeting on Tuesday, April 30, at 7:30 p.m. in the multi-purpose room of the Daniel Webster School.

"Helping your child learn to get along at home and school" is the theme for the meeting. Two movies, "Sociable Six Through the Noisy Nines" and "They Grow Up So Fast," will precede the discussion led by the guest moderator, Chester Maul, coordinator of guidance for San Mateo County. Refreshments will be served following the meeting. Mrs. Ralph Munowitch, out-going president of the Daniel Webster PTA, invites all interested persons to attend.

Included in he April Daniel Webster PTA unit meeting was the installation of new officers by the installing officer, Darrel K. Brown, principal of the El Rancho School in South San Francisco. Those installed for the new year were Mrs. Ernest Bloom, president; Mrs. Jerome Gayne, vice president; Mrs. James Kochan, recording secretary; Mrs. Frank Dutton, corresponding secretary, Mrs. Jack Cronin, treasurer; Roger S. Murray, auditor, and Mrs. David Hirsch, historian.

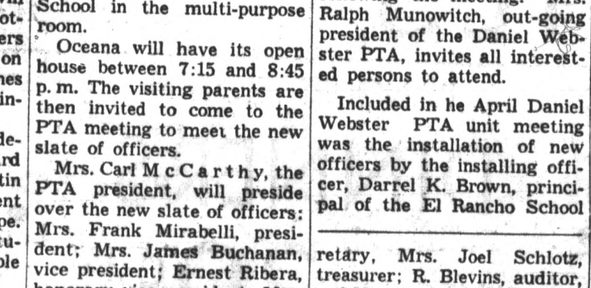
Mrs. Kenneth Kimball, out-going historian, gave the annual report by presenting a balloon for each month of the year. Each balloon was popped and the contents read by a member of the audience.

It was announced that the Annual Daniel Webster School Festival will be held on the afternoon of May 3rd. Open House during Public Schools Week will be on Wednesday evening, April 24, from 7:15 to 9 p.m.

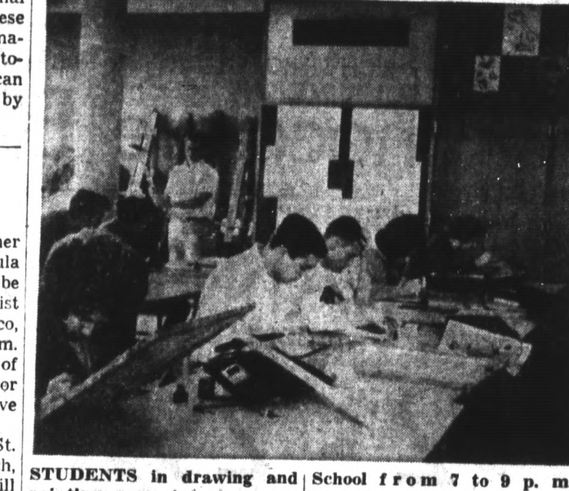
Following an enlightening discussion by Mrs. Helen Cordell, art coordinator of the Jefferson Elementary School District, and an art exhibit of the Daniel Webster School children's work, the Daniel Webster PTA unit voted a larger sum for the purchase of fine art prints for the use of the Daniel Webster School children.

The meeting and program ended with refreshments served by the hostesses, the fifth grade mothers.

STUDENTS in drawing and painting preparing for open house at Westmoor High School from 7 to 9 p. m., Thursday, April 25.



STUDENTS in Selwyn Jones' art class working at the Potter's wheel which they will demonstrate open house night, Thursday, from 7 to 9 p. m.



WESTMOOR HIGH SCHOLARSHIP winners (left to right): Ann Irby, David Levine, Marilynn Wagner and Mark Stutsman.

SALES CAREER

A large multiple line insurance company has an opening for a sincere, ambitious man who is looking for an exceptional career opportunity.

Work consists of servicing a substantial volume of personal and commercial business, principally in the cities of Daly City, San Bruno and South San Francisco, and in selling additional business resulting from these contacts and other sources.

The position pays a substantial salary and good commissions. Most of our men earn in the neighborhood of $10,000 per year, or more.

Men with insurance sales experience in Fire, Casualty, and/or Life will be given first consideration. Other ambitious men will also be considered. Complete training given in our S. F. office. For appointment interview, Ph. Mr. Hansen, YU 2-0180.

REPLICAS of the finest array of the world's most famous diamonds are now on display at the Westlake Jewelers. Lina Papes displays this collection which depicts the finest and largest of the most precious gems on earth, including the Kohinoor, the Hope, the Regent, Sancy, Tiffany, and 26 other famous gems cut in various sizes and shapes. Also shown here in the lower right hand corner in its original form is the famous Cullinan diamond with a weight of 3,106 carats. This gem was a fantastic find of a shepherd boy. He later sold this stone for 100 sheep. The gem was later cut into 9 large diamonds and 96 small diamonds of various sizes and dimensions.

Talk on Books For All Ages At Library

Friends of the Library book review will meet in the Coral Room of the Westlake branch of the Daly City library on Thursday, April 25, at 10 a. m.

Rose Marie Kraus, children's librarian, will speak on children's books that adults will like. Her object is to discuss historical novels that have an appeal to adults, teenagers and children.

After several years as a teacher-librarian in an Illinois high school, Rose Marie attended the school of librarianship at the University of California in Berkeley. After graduation, she held cataloging and circulation positions in various Bay Area libraries. She came to the Daly City library in February, 1957.

TV and RADIO

By Mona Baker

History will be made within the next couple of weeks, not only in space as Astronaut Cooper makes his 22 orbit flight, but on television as stations cover the event with the most extensive and elaborate "live" coverage ever attempted. ABC, NBC, and CBS have combined facilities for the historical report in mid-May.

Plans include beginning the telecast at 4 a.m. and continuing on until the second day until after the Astronaut has been recovered, with coverage suspended for part of his rest and sleep period.

This is the job television can do so well—on-the-spot "live" coverage of an historical news making event. We hope schools will make arrangements for classes to view at least a few minutes of the historical flight.

Scheduled for April 24, 10 p.m., KQED special program for volunteers in American Cancer Society April crusade.

TOP SPOTS FOR DINING AND DANCING

Oriental Foods Featured At Sai Wu Gardens

For those who love the atmosphere of the exotic East, the Sai Wu Gardens with its Golden Buddha Lounge and beautiful Mandarin Room is a second home.

Conveniently located in the Westlake Shopping Center at 209 Southgate, it features the decor that invites the liesurely contemplation and relaxation for which the Orient is noted.

In the Golden Buddha Lounge may be found the special potions from beyond the reef—such libations as Pua Lachee, Sai Wu Delight, Green Dragon, Mai Tai and coconut okokoolemao. These other famous South Seas recipes are concocted from original and borrowed formulas—as well as the popular American and Continental cocktails and mixed drinks.

For those with a taste for authentic Far East food, the Mandarin Room is one of the outstanding spots in the Bay Area. American food is also tastefully prepared and served during their regular hours of 11:30 a.m. to 10 p.m. except Monday.

Next time you're looking for "that different place," call the Sai Wu Gardens at PL 6-0213.

GLASS BLOWING

Glass blowing is an art that dates back to Biblical times, but it's still being put to good use in oil company laboratories.

Scientific glassworkers blow, shaps, and assemble intricate flasks, tubes, and other laboratory equipment ranging in size from needle-like slivers to crystal mazes of tangled columns and towers large enough to fill an entire room.

FAVORITE DINING and drinking spot for many Peninsulans, the Sai Wu Gardens' Mandarin Room and Golden Buddha Lounge, located in the Westlake Shopping Center at 209 Southgate avenue.

Woodrow Wilson PTA Officers Installed

The first highlight of the Woodrow Wilson PTA meeting, Tuesday, April 16 was the installing of new officers.

Installation Chairman, Mrs. Orville Luster, past president, installed president, Mrs. Albert Taylor; vice president, Mrs. William Buser; honorary vice president, Mrs. Ethel Hahn; secretary, Mrs. Edward Steele; treasurer, Mrs. Famous Pressley; historian, Mrs. Frank Kratochvil; auditor, Mr. Phillip Dittmore and parliamentarian, Mrs. Edward Mason. Corsages of red and white carnations were presented to the ladies and a boutonniere to Mr. Dittmore.

The program was based on family activities. Two outstanding demonstrations were given. How to make "Ribbon Rose Corsages" by Mrs. Earl Rolhl and a bowling demonstration film, "Bowling is Fun," by Fred Hoffman and Dick Monroe.

Hospitality Chairman Mrs. Irwin Imhoff and her room mothers served refreshments. Mrs. Irwin Imhoff is leaving for Germany in May for a vacation and reunion with her parents.

Daly City Garden Club To Hear of Conifers

The Daly City Garden Club will have its first meeting of the new term Tuesday, May 7, at 8 p.m. in the War Memorial Community Center, Mission and Alp streets in Daly City. The Garden Club meets the first Tuesday of each month.

The new fiscal year's president, William G. Huston, Jr., invites all residents of the city and the neighboring communities to attend. A most interesting program is scheduled for the evening.

Guest speaker of the evening is Marvin D. Davis. He is assistant San Mateo County farm advisor with the office in Half Moon Bay. Davis has been on the county agricultural staff for four years and studied at the University of California at Davis and Utah State College.

His special interest is forestry and his topic for the Tuesday evening meeting will be "Care of Trees and Shrubs." Davis will discuss the cultural needs of conifers, shrubs, trees and plants indigenous to the area. He will also bring the member gardeners up to date on the great variety of horticultural bulletins now available at the Half Moon Bay office.

Plants will be donated by one of the nurseries in Colma.

Hostesses for the evening will be Mrs. R. Hunter and Mrs. R. Brenner. Refreshments will be served at the close of the meeting.

Annual Festival at Riordan High School

Riordan's Aloha Festival will be held Saturday, April 27, from 7 to 11 p.m., and Sunday, April 28, from 1 to 11 p.m., at Riordan High School, 175 Phelan avenue in San Francisco. A full course barbecue dinner will be served in the school cafeteria on Sunday from 3 to 7:30 p.m. Tickets are $1.75 for adults and $1 for children, eighth grade and under.

This year's festival awards have appeal for everyone—a 1963 sedan, Hawaiian holiday for two (consisting of PanAm jet round trip flight to the islands and first class hotel accommodations in Honolulu for one week), a console stereo, lady's .5 carat diamond ring, and two seasons tickets for the 49'ers home games. Awards donations are $1 each, six for $5.

A gala evening has been planned for Friday, April 26, from 9 p.m. to 1 a.m. with an informal dance with music by Monte Navarra's orchestra, entertainment, refreshments and door prizes.

The festival recreation room will be open. Adults are invited—$1 per person.

This annual event has a manifold purpose . . . profits therefrom enable the Parents' Clubs to purchase educational aids for the school, establish scholarships, and to supplement the budgets of many extra curricular activities.

At the same time, the social aspects of the festival do much towards welding a strong parent-teacher-student bond — so important in these times.

All festival proceeds go to the school in one form or another — all festival workers contribute their time voluntarily.

Spring Concert At South City April 26

The South San Francisco High School's annual spring concert will be presented by the instrumental music department on Friday evening, April 26, at 8 o'clock in the South San Francisco High School auditorium.

The program, presented as a portion of Public Schools Week observance, is open to the public and there will be no admission charge for the performance.

The presentation of this program, directed by Warren Heckman, culminates the work of several months for the groups participating in the evening's performance.

The program will feature selections played by the South San Francisco High School dance band which has won top honors and awards during the past months in tournaments hosted by the University of Nevada and the Bay Area competition held at Richmond High School. This group will also perform at San Francisco State College as guests for its Arts Festival on April 28.

Selections of present day composers will be performed by the 75-piece symphonic band in a program of contemporary music written for the modern wind group. Familiar selections such as "Malaguena," "Polovetsian Dances" and Sousa's "Stars and Stripes Forever" will, in part, make up the repertoire of musical numbers which should provide each listener an enjoyable evening of band music.

Lincoln Gazette Printed

The Spring issue of the Lincoln Gazette, of Abraham Lincoln Elementary School, rolled off the presses and was distributed to the students on Wednesday, April 17. Mrs. Florence Lang, fourth grade teacher, sponsored the publication.

The newspaper staff is made up of Fourth and Fifth Grade students. Serving for this edition were the following: Jeanne Wallace, Tom Price, Lucy Palangian, Elaine Lubbe, Margaret Putman, Rick Webster, Patricia Putman, Bill Lekas, Frank Mendoza, Sally Fox and Virginia Ackerman.

Daly City Gets $203,609 in License Fees

State Controller Alan Cranston announced this week that $94,084,832 has been distributed to the 58 counties and 382 cities as their respective shares of state-collected motor vehicle license fees.

San Mateo County received $1,330,074 in the distribution and its cities $1,563,022. This included $203,609 for Daly City.

Cranston said the total apportionment represented 75 per cent of the vehicle license fees which the state estimates it will receive during the six-month period ending May 31. The balance of the actual amounts for the period will be paid in June. The distribution was up 9.6 per cent from a year ago.

The money is divided equally between the 58 counties and 382 cities. The formula for this distribution provided $3.86 per capita for cities and $2.99 per capita for counties.

City shares are based on the 1960 federal census with adjustments for new incorporations, annexations, special censuses or department of finance estimates, while county shares are based on the 1960 census without adjustments.

The fees take the place of a local property tax on vehicles and cities and counties may use their shares for general purposes.

School Elections

Trustee elections last week have returned virtually the same personnel to office throughout San Mateo County. The County Board of Education was all re-elected, despite formidable opposition from a "pro-Rafferty" slate. All incumbents of the North County local boards were re-elected.

We find no fault with the choice of the voters. The County Board has been doing an excellent job and has placed San Mateo County in an enviable position as to curriculum and general leadership.

The endorsement which the voters gave the local school boards should be of great cheer to them. Rapid growth in population, needs for more facilities, teachers, etc., have not made these trustee jobs easy. But the knowledge that the public supports them can be of help.

It is unfortunate that Proposition A, to make the County Superintendent of Schools appointive, failed. This leaves the county in the position of a business board of directors who could not select their own company president. Fortunately the present County Superintendent, James R. Tormey, has seen eye-to-eye with his board and San Mateo County has benefited from it. This might not be true at some future date and a conflict such as at the state level could hurt the county program.

So our congratulations to the winners. May you continue to exercise the leadership you have shown in the past.

How Long Is Long

In one respect, the United States is one of the most backward countries in the world, and that is when it comes to measurements. We still use a system based on the size of a king's foot, volume from some other illogical source.

The rest of the world, and our own scientists, use the metric system under which length, weight and volume have standard references. A meter is one ten-millionth of the distance from the equator to the pole, a gram is the weight of one cubic centimeter of water at its greatest density (4° centigrade) and a liter is one cubic decimenter.

All of these measurements are divided or multiplied in tens, which is a method we are accustomed to using in the decimal system, mathematics, or in our system of money for that matter.

Meanwhile, we continue to use inches, feet, yards, miles, or ounces, pounds, tons, or pecks, quarts, gallons, all of which have no common base.

While making a change to a metric system would be difficult and expensive, it's not impossible. In this regard, Congressman George P. Miller of California has introduced a bill to authorize a three-year study by the National Bureau of Standards to determine the impact on the United States of a switch to the metric system.

This change is inevitable, and the sooner we make it the better. But it's really not going to help us in our business unless the printing industry changes, too.

Newspapers have a system all their own which is just as illogical as any other. We use the point system. A point is .013837 of an inch. Twelve points make a pica, or .166044 inches. Six picas are almost an inch — .996, to be exact. We also measure our paper in columns wide (which vary from newspaper to newspaper) and inches deep (which the printer translates into picas). To top it off, advertising agencies measure depth of a column in agate lines of which there are 14 to the inch.

The more we think of it, the more anxious we are for the metric system.

The View From . . . Behind the Badge

Written and Edited by Daly City Police Department

Mister District Attorney . . .

The typical citizen sometimes faces the citizen's duty of serving as a witness in court. Most novice witnesses torture themselves with a number of basic questions. With an able assist from Deputy District Attorney Jim Browning, we write here about these questions and answers.

This subject will be covered in three articles, which will not run consecutively.

Questions and Answers for Prospective Witnesses . . .

Q. "Why am I here?"

A. After a crime has been committed and the responsible person apprehended, that person has the right to plead either "guilty" or "not guilty." If he pleads "guilty," he thereby admits the charges against him, and no formal trial is necessary. However, even the "guiltiest" of defendants has the right to plead "not guilty"—thereby placing upon the state the burden of proving him guilty—and it then becomes necessary for the State to prove the charges through the presentation of witnesses who testify from their knowledge, their observations and their perception of circumstances surrounding the crime. Thus it is that the guilty cannot be convicted—and justice accomplished—without the verbal testimony of individuals such as yourself.

Q. "I gave a statement to the police—why can't that be used instead of a personal appearance by me?"

A. Statements to the police or other investigating agencies are indespensible in "pointing the finger" at the responsible person and preparing the case against him. For example, they put the prosecutor (the district attorney) on notice as to what he can expect you to say if he calls you to the witness stand. However, such statements, whether they be tape recordings, signed writings or unsigned accounts, cannot be used in court in a criminal trial. There are exceptional situations in which such statements may be used, as where the witness has since died or left the state; but in most cases, a defendant has a constitutional right to be personally confronted by the witnesses who testify against him.

Q. "What can I expect in the courtroom?"

A. After the case in which you are to testify has been called by the clerk, the district attorney will "call" you to the stand, although he may call other witnesses to the stand ahead of you. Usually, witnesses are "called" in the order which best suits the orderly presentation of the case rather than in the order which suits the personal convenience of the witnesses.

The length of time you may expect to be in court often varies according to whether the trial is by jury or by a judge without a jury. If a jury trial, it is quite possible that you will be required to wait several hours before being called. This is because a jury trial moves more slowly than a "court" trial, and involves several features (such as the selection of a jury) not found in court trials. In a vast majority of cases, it is not the prosecutor, but the defendant, who determines whether his trial will proceed before a judge or a jury.

Upon being "called" as a witness, you should approach the witness stand, halt before mounting it and face the clerk of the court, who will administer your oath. After the oath has been administered, you may be seated in the witness chair.

As a witness for the prosecution, you will first be questioned by the district attorney. This is known as "direct examination." Thereafter, you will probably be questioned by the defense attorney. This phase is known as "cross examination." In some cases, there may be additional questions put to you by both sides after cross examination. In any event, do not rise to leave until the judge indicates to you that you may "step down."

Affairs Of State

By Henry C. MacArthur

The long-awaited opinion from Attorney General Stanley Mosk on the subject of who has the ultimate authority in education in California—the state board or the state superintendent of public instruction, has finally arrived, and the public knows little more now than it did before the opinion was requested.

The opinion held that while the board is the sole authority in policy making, and the superintendent is required to follow its instructions, nevertheless the superintendent may express his personal opinion on legislation to the legislature and to the people of the state.

And further, the board can't do anything about the matter if the superintendent happens to disagree with the members and policies of the board.

Mosk called attention to the fact that the attorney general's office some 20 years ago called this situation to the attention of the legislature and suggested that it would be appropriate for the legislature to clarify code sections relative to the respective powers, duties and functions of the board of education, superintendent of public instruction, and department of education.

The current dispute which resulted in the request for the opinion came about when Dr. Max Rafferty, state superintendent, advocated his own policies for adoption of multiple textbook procedures, in contravention to the state board's policy of standardized textbooks.

Prior to the election of Rafferty, superintendents of public instruction rarely disagreed with the state board in any manner at all. However, Rafferty promises to be a strong executive head of the department of education, and carry through on the campaign statements which resulted in his election.

Mosk held that the possibility of refusal by the superintendent to carry out the policies of the board is "hypothetical." He does not have to appear personally in opposition or defense of policies he does not advocate as an individual, Mosk said. This can be done by an assistant.

And without question, the individual who has been elected to the office of superintendent of public instruction may properly express to the people and to the legislature his own views as superintendent of public instruction on various educational matters, including legislation.

While the board may require the superintendent to make its own views known to the legislature, and while the superintendent may not properly refuse to execute the order because of his own personal views, the law still does not provide for removal of the superintendent if he refuses to carry out the orders. There is no provision for his impeachment, and the only recourse is to recall him from office.

Mosk was asked what remedy the board might have in the event the superintendent refused to execute orders. However, he does not answer the question, stating there is no basis for making an assumption that the orders have not been carried out. So the attorney general deems it appropriate at this time to "refer" a reply to the question.

Thus, the situation is right back where it started, and probably will remain there until the legislature takes some action. However, there appears to be nothing to fear for the safety of education.

Something for Everyone

By Samuel Chandler

A recent report indicated that in 1956 the United States, with a population of 168,176,000 had approximately 10,000 public libraries with holdings of 173,156,000 printed items with an average circulation of four books per person. In the same year, The Soviet Union, with a population of 200,200,000 maintained 144,300 public libraries with holdings of 652,700,000 and an annual circulation of eighteen books per person.

Although these figures are unreliable, they indicate a danger spot in the cold war. For as Daniel Webster observed: "Life and power rest in the arms of knowledge."

Yet the challenge lies not solely in how much more knowledge the Russians obtain in comparison to Americans, no, the challenge lies in the depth of culture in the two lands. Culture as defined by Matthew Arnold is a passion for making right prevail. Its beginning is the acquisition of knowledge whatever the stimulus; its end is the perfection of man.

In the United States the purpose of the public library is to be a center of culture on the community level. Here peace through the acquisition and interpretation of knowledge begins; here the people learn of the hates and prejudices that must be removed before man can be perfected. With this knowledge, then, an informed public goes out to lead in a world-wide fight for decency and individual liberty.

American needs more libraries and more material that will make knowledge available to all of her people and thereby deepen the culture that will save America and the world from grasping, imperfect systems like Communism.

To this end NATIONAL LIBRARY WEEK is being observed throughout the country—April 21 through April 27, 1963.

Letters to the Editor

Editor, The Record,
Daly City, Calif.
Dear Sir:

The Jefferson High School PTA wants to thank you for the cooperation and help given us this past year. The publication of newspaper articles and pictures greatly enhanced the work of the PTA. It gave the public a good picture of the work of our unit.

We hope to keep the same pleasant relationship during the next year.

Very sincerely,
MRS. HARRY OJAKIAN,

Dear Sir:

All too frequently we criticize in a state of belligerent ignorance the various offices and departments of our city government. On behalf of the Fernando Rivera PTA we would like to reverse the usual procedure and publicly thank those involved and tell everyone about the superb cooperation we received while trying to solve our traffic problems on Lake Merced Boulevard.

Fire Chief Kennedy deserves a special thank you for his prompt and most courteous action when he was informed that the hedge in front of the station and the fire equipment being parked in the driveway were obstructing our view of oncoming traffic.

Police Sgt. Sundermann, who so patiently listened to our plight made the original recommendation for speed limit signs to be posted, also deserves commendation.

Also City Attorney Paul Hupf and the City Council, who showed by their prompt action that they are alert to needs of our growing city, merit our praise.

It is a great relief to find so many people concerned with the safety of those of us using the school and Westlake Park.

Sincerely yours,
The Fernando Rivera PTA

Dear Jim Harrah:

Each of our 275 disabled trainees joins me in thanking you for giving so much space in the Westlake Times to our need for clothing and furniture.

You'll be happy to know that at the time you used our story (and it was in no other publication) our plant was almost empty then voila! Your readers came through in grand style and so we are no longer eating into the "bank" saved for our summer teen-age program.

Bless you for your help.

EARTH AND WOOD

In New Mexico, earth has already been woman's material. From it she shapes her pottery and builds her adobe house.

Wood, on the other hand, is man's material. From it she shapes his tools and weapons, his religious sculpture, and the pine timbers for his roof.

Don't be a dishwasher, buy one!

The party's *really* over when you face that stack of dirty dishes. So why not pop them into an automatic dishwasher and head for bed! While you sleep, fine china and glassware will come out sparkling clean—washed by water hotter than hands can stand. Note: A dishwasher can save four hours of dish drudgery a week (even more, if you party!)

Don't be a dishdryer, buy one!

Let's face it men: There's nothing worse than wiping party dishes at two in the morning. Right? Right. So why not let an automatic dishwasher take over, while you turn in. It not only washes dishes—it dries 'em, too. Interested? Why not find out more about automatic dishwashers at your Reddy Recommended Appliance Dealer.

View Iguanas

The students at Vista Mar School had the opportunity this week to see two iguanas from Central America.

The animals are pets of Greg and Kenneth Figueroa. Kenneth is a kindergarten student. The boys brought them to school and spoke to each class about the care and feeding of these reptiles.

They first became interested in this species when they visited Guatemala with their family.

The Vista Mar students were especially fascinated to watch the iguanas eat, as they swallow their food whole.

Greg explained how he simulates the natural habitat of the animals by keeping them in a box with a lighted lamp globe nearby for warmth.

6 - 8 yards	3.61
8 yards and over	4.05

7. All labor to receive time and one-half for overtime, double time on holidays, unless otherwise specified.

8. All other trades not hereinabove mentioned to receive wages prescribed for that particular craft or type of workman.

9. In addition to the hourly and/or per diem wages for the crafts, classifications or types of workman listed above, contractors may be required to make employer payments for health and welfare, pension, vacation and similar purposes as required by the executed collective bargaining agreements for the particular craft, classification or type of work involved.

10. The working day shall be eight (8) hours unless otherwise specified above. The per diem rate shall be the hourly rate multiplied by the number of hours in the working day.

11. The general contractor and his subcontractors shall favor the employment of local labor when available.

12. The Board of Trustees of the Jefferson Union High School District reserves the right to reject any and all bids and/or waive any irregularity in any bid received. Unless otherwise required by law, no bidder may withdraw his bid for a period of thirty (30) days after the date set for the opening thereof and the Board will act to accept or reject the successful bid within that period of time unless state funds have been allocated for the work by the Local Allocation Division of the State Department of Finance, in which event no action will be taken by the Board until such bid is acted upon by said Local Allocation Division and no bidder may withdraw his bid prior to the expiration of one week after receipt by said Board of notice of the action taken by said Local Allocation Division.

13. All bidders must be contractors properly licensed to perform said work.

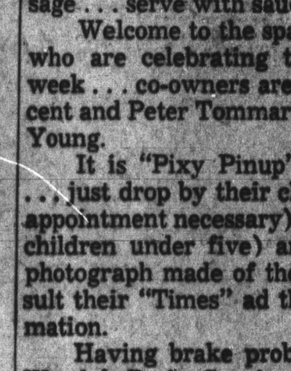
Eighth Anniversary of Art Colvin Realty to Be Celebrated April 25



April 25 will be the eighth anniversary of Art Colvin Realty.

Art Colvin first opened his offices at 1859 Junipero Serra boulevard, starting with two salesmen. In 1957, he moved to his present location at 1999 Junipero Serra boulevard, then occupying only part of the building. In 1959, the firm expanded again to occupy the entire location.

He now has an experienced sales staff of 35 persons and a branch office in the Seavue theater building in Pacifica.

Art is now in the process of constructing the Art Colvin building at Westlake avenue and Junipero Serra boulevard, one block south of his present offices. The beautiful, modern building will be the future headquarters for his operations.

During the war, Art was a captain on Army transport ships. In 1945, while still in the service, he took the state examination for his real estate broker's license, and has been active in local real estate ever since.

Michael Bezvoda Serves on Transport

Michael S. Bezvoda, machinist's mate fireman apprentice, USN, son of Mr. and Mrs. Stanley F. Bezvoda of 1400 Perez drive in Pacifica, is serving aboard the attack transport USS Henrico which departed from San Diego on March 26 for a seven-month assignment with the Seventh Fleet in the Western Pacific.

While on the Far Eastern cruise, the Henrico will serve as flagship of Amphibious Squadron One. She is slated to return to her homeport in San Diego in early November.

Bay Area Jaunts for A. Lincoln Classes

April—and spring weather has spurred many classes at Abraham Lincoln Elementary School to go on trips to various points of interest in the Bay Area.

Mrs. Florence Ofenheim's kindergarten class enjoyed a morning's excursion to the Academy of Science on April 4th. The students saw the watch and clock exhibit, the Foucault pendulum and the many panoramas of wild animals in the North American Hall.

Before returning to school the children visited the Little Farm where they had the privledge of holding baby chicks and seeing other farmyard animals.

The class was accompanied on the trip by the following class mothers: Mrs. Antonia Arroyo, Mrs. David Barron, Mrs. Lyle Church, Mrs. Stanley Fairhurst, Mrs. David McMullen, Mrs. Lee Riewerts and Mrs. Walter Sainsbury.

As part of their science study of outer space the fourth grade class of Daniel March, Abraham Lincoln Elementary School, made a visit to the planetarium on Wednesday, April 17. The students were interested by the spectacular program presented on the "Seven Movements of the Earth."

A brief visit was made to the Mission Dolores in connection with the class unit on Early California History.

Accompanying the class was Miss Ramona Insular, student teacher, and Mrs. Conte Gresani and Mrs. John Wechsler, class mothers.

In connection with their social studies unit on Our Community, the third grade class of Miss Lynette Hoffman, Abraham Lincoln Elementary School, journeyed to the Daly City city hall on April 15.

Upon arrival at the municipal building the class was taken in tow by Officer Johnson who explained the physical and mechanical workings of City Hall.

The students were shown the City Council Chambers where they re-enacted a City Council Meeting — Daniel Schneider sat in the mayor's chair while Patrick O'Hare, Sandra Casey, Gary Smith and Mike Nicholson took the places of the other councilmen.

The school met Inspector La Bruzzo, of the juvenile department, talked with the matron, desk sergeant and the lieutenant on duty. In one section of the Squad Room, finger printing was explained and Steven Mueller demonstrated the painless performance of having finger prints taken.

A trip to the jail cells was the highlight of the tour.

Since no radio police car was available at the City Hall, Officer Johnson sent the class away with the promise that as soon as possible he will bring one to the school for the children to see.

Student Council Grants Awards

The Student Council of Abraham Lincoln Elementary School awarded forty-one merit certificates to upper grade students who have given extra time and effort to school service during the past year.

The scholastic awards went to the following: Roland Gandee, Betty Frecker, Frances Petru, Bill Clark, Stephen Wahler, Steven Wohl, Robin Simon, Gary Koolpe, Janet Gogeen, Jim DeAlba, Anita Orlowski, Steven Bernstein, Laura Sabuco, Michael Pagani, Denise Martinez, Kurt Heider, Elena Grijalva, Alan Hoffman, Jeannine Kite, Lucy Palamgian, Penny Vouchilas, Robin Wells and Larry Jones.

For outstanding progress in Spanish awards were made to: Lucy Palangian, Margaret Putman, Wendy Baltor and Marilyn Taylor.

Service certificates were presented to Tom Price, hall monitor; Robin Simon, Janet Goheen, and Sheila Miller — office monitors; Anne Kraemer, Tim Ryan and Ed Willems —traffic monitors; Jan McGill, Ricky Washford, Paul Kelly, Bill Miers and Su Meacon—library assistants.

Special notice was given t Margaret and Patricia Put man for their work on t school newspaper.

DAREDEVIL PARACHUTIST Kaz Ostrom will be one of the feature attractions at St. Francis Square shopping center in Daly City on Saturday, May 4, at grand opening ceremonies for the Ben FrFranklin variety store. Ostrom will jump from 10 000 feet and land land on the shopping center parking lot. Ceremonies get under way at 10 a. m.

Freedom Theme At Garden Village

"The Public Schools, Symbol of Freedom" is the theme of Public Schools Week which will be observed April 22 - 26.

The faculty at Garden Village School has planned a schedule for Tuesday evening, April 23 from 7:30 to 9 p.m. which will enable those parents with more than one child to visit and hear teacher discussions as follows:

7:30-8 p.m.—Kindergarten, First Grade.

8-8:30 p.m.—Second Grade, Third Grade.

8:30-9 p.m.—Fourth Grade, Fifth Grade, Sixth Grade.

Mr. Martindale and the teachers invite the parents to visit, observe children's work and participate in a discussion of the daily program.

Sheridan PTA May Festival is May 1

The Sheridan PTA will have their May Day Festival May 1st, 10:30 a.m. There will be a cup cake and apron sale. Everyone is invited.

Those wising to contribute aprons or baked goods may do so by calling the chairmen Mrs. D. Padilla, JU 7-9438, or the president, Mrs. R. Easley, DE 3-5306. We would appreciate any donation to make our sale successful.

ROUGHING IT—Fourth grade students from the William Orr Elementary School in Norwalk, Calif., "camped out" in Daly City recently at the Lincoln Park club house. They slept in sleeping bags and used kitchen facilities two nights while on a tour of the Bay Area with their teacher, Carol Neighbors.

Yes.
The exact model Plymouth that beat Chevrolet and Ford can be in your driveway tomorrow.

A customer walked into a Plymouth dealership the other day and asked where he could get a Fury just like the one that beat Chevrolet and Ford in 8 out of 10 tests at Riverside. The Plymouth salesman grinned broadly and said, "Mister, you're leaning on one!" The point is, the exact model Plymouth that performed so well at Riverside—winning every acceleration test, the handling test, both passing-safety tests, and the gas economy test—is performing just as well for thousands of new Plymouth owners every day. (There's probably one sitting in your Plymouth Dealer's showroom this minute, with a 5-year/50,000-mile warranty* in the glove box.) See and drive the 1963 Plymouth!

At Plymouth's request, Nationwide Consumer Testing Institute purchased the test cars—a 1963 Chevrolet Impala V-8, Ford Galaxie "500" V-8, and Plymouth Fury V-8. They conducted every test and computed all results. See your Plymouth Dealer for illustrated Official Results Booklet.
